ROTARY CLUB NAHAN

Message by President

Rtn. Manish Jain
President
Rotary Club, Nahan
(2025-26)

Dear Members,

As we complete four months of this Rotary year, I am proud to share that Rotary Nahan has successfully carried out several impactful projects in the fields of vocational and community service. Our initiatives have been well appreciated by the administration and the public, and have received recognition in print and electronic media.

Almost every Friday, we have been holding meaningful meetings that continue to strengthen our club's service and fellowship. Our recent family dinner was also very engaging and helped us bond even more as a Rotary family.

I sincerely thank you all for the support and enthusiasm you have shown so far, and I look forward to your continued cooperation in the coming months.

Let us join hands to serve society and uphold our motto — "Humanity Serves Mankind."
