ROTARY CLUB NAHAN

Message by President

Rtn. Manish Jain
President
Rotary Club, Nahan
(2025-26)

It is a great honour for Mamta and me to be given another opportunity to lead Rotary Nahan. We consider this a privilege and a responsibility — and we step into this role with pride, gratitude, and commitment.

On this path, we are all partners in a noble mission: to serve a good and social cause, to foster goodwill, and to build stronger friendships.

This journey will connect me to thousands of individuals —

Some who will share their knowledge,

Some who will volunteer their time,

Some who will offer wise counsel,

Some who will help us raise funds,

Some who will simply listen,

And yes, some who will be a critic.

Each one of you will play a vital role in shaping the beautiful symphony of our Rotary year.

The future of Rotary lies in our hands. Let us come together with unity of purpose and strength of vision—to transform our dreams into reality.

Let's work together to embody this year's theme: "HUMANITY UNITES MANKIND."
