We Are Eager To Hear You, Please Come

Dear Rotarians, Friends & Well-wishers,

☀ Warm greetings from Rotary Club of Ambala!

I hope this message finds you in the best of health, high spirits, and you are doing well in all your endeavors.

As we reflect on the month of July, there's a great sense of satisfaction that together, we successfully held our Blessings, Budget, and Installation meetings. Your participation gave them purpose, and your punctuality gave them discipline. This shared spirit of commitment is the real strength of our Club. Kudos to each one of you!

☀ Now, we step into August with renewed energy, starting with our first bi-weekly meeting themed:

☀ "Vision of Young Rotarians — to Make Rotary Club of Ambala Vibrant"
This isn't just a meeting; it's an open invitation to every member (specially newer ones) to step forward and shape the path ahead. Your inputs,

expectations, and ideas matter. Whether it's the type of programs you'd like to see, or suggestions for course corrections—we're here to listen.

☀ Rotary thrives not just on dues, but on dialogue and dedication. Your involvement breathes life into our club.

☀ This upcoming family meeting is your platform to connect, share, and engage meaningfully. Let's strengthen the bond between you and your Club. Let's grow—together.

☀ As the festival of Raksha Bandhan approaches, may we all celebrate the ties of love and protection that make life beautiful. In a world where relationships often fray, let's cherish and renew the bonds that truly matter.

☀ Looking forward to seeing you, hearing from you, and walking this journey—hand in hand.

**With warm wishes,
Rtn. Dr. Sanjeev Goel**

Hey, We wanted to share something really special — Ragini is performing live in Chandigarh on the 7th & 8th of August. This is the launch of the CHASING LIGHT Album Tour — her first independent album, and her first ever india tour. No label, no backing, just her voice, her truth, and years of quiet hard work finally taking flight. Chasing Light is the most personal thing she's ever created - a story of heartbreak, healing, rage, and hope. Ragini and Shiv have collaborated on the project. Shiv has written the lyrics and is also directing the whole show, which blends music, theater, and stunning visuals - it's not just a concert, it's a unique, world-class experience, Ragini has dreamt of sharing for a long time.
