यह मौसम चुनाव का चल रहा है।

रोटरी इंटरनेशनल डिस्ट्रिक्ट 3080 (हमारा क्लब भी इसी डिस्ट्रिक्ट का एक हिस्सा है) में आगामी वर्ष के लिए डिस्ट्रिक्ट गवर्नर का चयन/चुनाव होना है। अन्य पदों की भांति इसका कार्यकाल भी 1 जुलाई से प्रारंभ हो कर 30 जून को समाप्त होता है। हमारे डिस्ट्रिक्ट में पड़ने वाले क्लबों की संख्या आमतौर पर 150 के आसपास रहती है। वोट देने का अधिकार अलग - अलग क्लबों को उनकी सदस्य - संख्या के आधार पर दिया जाता है।

इस दृष्टि से रोटरी क्लब ऑफ अंबाला की गिनती बड़े क्लबों में होती है। डिस्ट्रिक्ट गवर्नर बनने के इच्छुक उम्मीदवार हमारे क्लब के वरिष्ठ एवं उल्लेखनीय सदस्यों, पूर्व, वर्तमान एवं आगामी पदाधिकारियों से संपर्क बढ़ाना अपने हितों की दृष्टि से लाभ का सौदा समझते हैं।

रोटरी इंटरनेशनल का ज़ोर चुनाव की अपेक्षा सर्वसम्मति पर अधिक रहता है। इसमें कई बार क्लब - सदस्यों के विभिन्न गुटों के आपसी स्वार्थ टकराने से दिक्कतें आ जाती हैं। यहीं से राजनीति शुरू हो जाती है। क्लब का वातावरण बिगड़ने लगता है।

इसका हल क्या हो? कुछ सुझाव

1. स्पष्ट, निस्वार्थ तथा क्लब के हितों को सर्वोपरि रखते हुए खुला विचार-विमर्श।
2. क्लब के सदस्यों के साथ उम्मीदवारों की योग्यता से संबंधित सूचनाओं का खुला आदान -

प्रदान।

इन्हीं उपायों को अपनाकर कोई भी क्लब निर्वाचन काल की दुविधा से स्वयं को बचा सकता है।

यदि कोई सदस्य इस विषय पर अपने सुझाव साँझा करना चाहे, उसका स्वागत है।

April is Rotary Environment Month

We are committed to supporting activities that strengthen the conservation and protection of natural resources, advance ecological sustainability, and foster harmony between communities and the environment. We empower communities to access grants and other resources, embrace local solutions, and spur innovation in an effort to address the causes and reduce the effects of climate change and environmental degradation.

April 22 is Earth Day. Fifty years ago, on April 22, 1970, the inaugural Earth Day burst onto the scene, igniting a spirited movement for environmental protection and inspiring the creation of major environmental laws in the United States. Other nations quickly jumped on the bandwagon, too. Since then, this day has been a thrilling rallying point for efforts to safeguard our planet.

Rotarians, always up for a challenge, have been at the forefront of environmental conversations for years. We've been tackling climate change, which threatens to throw a wrench in global food systems, and battling pollution that mucks up our air and water. With their unique knack for innovation and their vast networks, Rotarians are perfectly poised to take on these challenges and have a blast discovering creative solutions to preserve our precious resources.

In support of these efforts, The Environmental Sustainability Rotary Action Group (ESRAG) serves as a dedicated resource for Rotary clubs and districts, fostering enthusiasm and commitment towards environmental preservation. Their mission is to enhance

awareness, drive impactful actions, and develop projects that advocate for environmental sustainability, highlight the pressing issue of climate change, and work towards reducing greenhouse gas emissions.

April 24-30 is World Immunization Week. Increasing vaccine awareness and closing immunization gaps can protect millions from diseases like polio, according to the World Health Organization. World Immunization Week (April 24-30) highlights this issue, leveraging the polio eradication infrastructure from Rotary and partners in the Global Polio Eradication Initiative (GPEI). Since 1988, GPEI has saved an estimated 20 million children from paralysis, reducing polio cases by 99% to just six in 2021, with Afghanistan and Pakistan remaining endemic.

Today while going through my records I found a Photobook prepared by me and published from Mumbai in December 2014. Its title is: Ambala Heritage: Legacy of RBL Benarasi Dass. I gifted this book to Mr Gyan Prakash and he was kind enough to acknowledge my labour through a letter that I am also producing below.
