**From the Desk of the Immediate  
Past President Feroz Ali**

My fellow Rotarians Gracious Rotary Annes as we gather here for the last meeting of the Rotary Year 2023-24 I have mixed feelings of happiness, sadness and

satisfaction It's been exactly one year when I was entrusted with leading our prestigious club along with my team. It doesn't feel like one year though, seems like just a few months back I've had my ups and downs Elated when we were able to achieve our goals and frustrated when things were not going as planned All my seniors know and the youngsters will eventually come to know that when one takes up a responsibility of a post or designation one is committed for the whole year. It's not just a meeting or a project that is done but a whole lot of effort that goes with it, you have to give time for discussions, for procurement, for planning and execution , but I'm not complaining It's been a wonderful journey

I and my team has done that !and without the help of my team and each member here, this would not have been possible Don't take it as a cliché, I sincerely mean it Many of you went out of way to help me, guide me like mentors, friends and colleagues Many of you shared your immense experience with me to show me the path.

Some even scolded me, reprimanded me, we have had our share of difference of opinion but all in good spirit, for the betterment of our prestigious organization and I respect that I thank my team, my BOD, my chair persons I thank each one of you for your support, your guidance, your directions

I would like to put in a special thanks to my wife, 1st Lady Ghazal and all the R'Annes without whose support we could not have managed After all you are the ones who look after our homes, our families while we are out there trying to serve the community In the end, I would like to congratulate the new team and wish them success for the coming year. I would also like to pledge my support to them.

**Thank you  
IPP Feroz Ali  
(2023-24)**
