## Club Assembly Minutes

Read by the **Secretary Ashwani Mittal.**

Last Club Assembly minutes held on 11th & 18th of July' 24 were read & approved by the house.

## Director International Service's Report

**PDG Ranbir Singh** started his report by saying ,

*“International Service volunteers work to expand the Rotarians' humanitarian work around the*

*world. This important service promotes understanding and peace, sponsors projects in other countries and works with international partners to support projects in their communities.*

*The idea of service is the real tie that binds. It's the idea that distinguishes us from everything and everyone else."*

*"And service means really helping people; not just doing nice things."*

*"In a world where people speak different languages, eat different food, dress in different clothing, worship differently, for those people to bond together required a powerful adhesive.*

*In Rotary that adhesive is the ideal of **Service Above Self**.*

*At this very moment, I must say that Rotarians of every race, religion and nationality are involved in service to humankind in every time zone on earth. The sun never sets on the service performed by Rotary and this is **Rotary International Service**."*

### **Three main Committees under International Service are-**

**1) Rotary Foundation (Chairman -PP Shailendra Karanwal )** The committee is of the opinion that an amount of US Dollars 2000 to 2500 shall be collected and contributed to the Rotary Foundation which shall also include a new Rotarian TS Manchanda, to motivate him and make him Paul Harris Fellow and enable Rotary Mussoorie to **regain status of All PHF Club**.

Efforts shall be made to motivate the members to contribute \$100 each every year .

To plan a Foundation **Quiz or Talk** and to motivate the members for more donations.

Past President DP Singh shall be requested to equally match the amount dollars contributed with his available Foundation points as last year and help the Rotarians to achieve higher levels of PHF.

**2) Grants (Chairman -PP Shailendra Karanwal )** PDG Ranbir Singh suggested that focus should be incorporated on **raising funds** for a good concrete project this year & apply for matching Grants through District & Rotary Foundation. This could be considered as the **Dream Project** of the President in his tenure.

**3) Polio Plus & WGM (Chairman - PP Nitish Mohan Aggarwal)** PDG Ranbir Singh said that, the contribution of Rotary is more than money. *"It is the commitment of individual Rotarians towards Polio. As we together made India a Polio Free Nation, we must continue our fight against it with the same thrust and vigor as in the past."*

Committee assured to observe all the important events relating to Polio NID. **PP Nitish Mohan Aggarwal** Committee Chairman suggested that any funds raised by the club should be sent through Pulse Polio to Rotary foundation. The Club must **hold WGM and raise funds** for Polio eradication. Rotaractors and Interactors should be involved in the said programs.

#### **Further Suggestions:**

It was also put forward by PDG Ranbir Singh, and further discussed & decided by the Club that any **Committee Meeting held must have the Presence of the Ex-officos \*The President, Secretary & the Treasurer for finalizing on funds.**

#### **Club Activity Update**

**The President Sanjay Jain** informed that LCH that had

requested for supporting funds for the X-Ray machine has managed to get the funds already by other sources. Hence, considering the present scenario, it was suggested & discussed that the medical funds towards the cause promised by few Rotarians should either be returned back or it may be suggested to offer further for any other requirement, if any by LCH on the approval of the Rotarians who had promised to contribute for the good cause.
