MEETING No. 3790

Thursday 10th Oct 2024

AGENDA

Talk by Mr. Anmol Jain

On History Of Mussoorie

Regular Rotary meeting on Thursday 3rd Oct '24, had **Guest Speaker Mr. Ashok Kohli** who spoke on a fiction

being penned by him 'Vaikunth Club'. His Introduction was given by Secretary **Rtn. Ashwani Mittal**. The Speech was filled with an enthralling experience of self introspec-

tion, giving points to ponder on the knowledge of 'Vedas' & 'Upnishads'. Individually it made me think, why we do not have more in-depth information on our 'Vedas' in our education system. It is something that is necessary to follow 'A way of Life' in our culture. After a few interactional moments shared between the guest & the Rotarians, a brief thanks-giving to the Guest speaker was given by **PP N.K. Sahni**.

President Sanjay Jain along with **PDG Ranbir Singh**, presented a Token of Appreciation to **Guest Speaker Mr. Ashok Kohli**.

Interact Club Report Mussoorie International School

On Saturday, 5th October 2024, the Interact Club of Mussoorie International School, in collaboration with the Indian Medical Association (IMA) Blood Bank, organized a successful blood donation drive on campus. The project aimed to serve a great social purpose of saving lives, while promoting health awareness among the school's faculty and staff. The student volunteers from the Interact Club took charge of setting up the event. They arrived early at the school's infirmary to assist the IMA team with the arrangement of medical equipment and supplies, ensuring that everything was in place for a smooth and efficient operation.

The afternoon saw a commendable turnout of teachers, administrative personnel, and support staff, all of whom had arrived at their scheduled time slots, eager to participate in the drive. Despite some individuals being unable to donate blood due to health constraints, their commitment to self-improvement was noteworthy. They made personal pledges to work on their health, not only with the intent of donating in future opportunities but also for their overall well-being.

A total of 20 staff members and teachers successfully donated blood, including several first-time donors. These individuals were especially moved by the experience, expressing pride in their contribution to this life-saving cause. The event was more than just a blood drive; it provided an opportunity for participants to undergo general health check-ups and reflect on the importance of maintaining good health.

The blood donation drive exemplified the spirit of community service at Mussoorie International School. It highlighted the dedication of both the staff and the student body to causes that extend beyond the walls of the institution, creating a sense of unity and purpose. Certificates of appreciation were given to all the donors for their noble contribution.
