Rotary THE FOUR-WAY TEST *Of the things we think, say or do:*

- first** Is it the **TRUTH**?
- second** Is it **FAIR** to all concerned?
- third** Will it build **GOODWILL** and **BETTER FRIENDSHIPS**?
- fourth** Will it be **BENEFICIAL** to all concerned?

RI Presidential message

Rotary is at its best when we foster a sense of inclusion and belonging in our clubs. In fact, I would go so far as to say that belonging is *The Magic of Rotary* itself.

With a focus on inclusivity and belonging, it is easier to be united in a common purpose. When we are committed to one another and focused on our goals, we are most effective.

Rotary's Action Plan can help. The Action Plan comes with tools you can use to collect feedback, assess your club's strengths and weaknesses, and address challenges.

The world is changing, and our clubs can't afford to stand still. But the changes we make need to be consistent and strategic — building on one another toward a greater vision. The Action Plan can help you work toward that vision and create effective change within your club. Following the Action Plan and addressing suggestions from the community will go a long way to fostering the sense of belonging we want all Rotary members to feel in their clubs.

That's why expanding our commitment to diversity, equity, and inclusion is so important. Committing ourselves to each other's well-being is the first step to expanding our reach, allowing us to spread Positive Peace in these troubled times.

Peacebuilding is one of our top priorities, and one of the most effective ways we can build peace is with our Rotary Peace Fellowships, through which peace and development professionals learn how to prevent and end conflict.

We offer the fellowships through our Rotary Peace Centers at leading universities around the globe, where more than 1,800 Rotary Peace Fellows have graduated. And thanks to a \$15.5 million gift from the Otto and Fran Walter Foundation, we can continue supporting peacebuilders in more regions with the next peace center at Bahçeşehir University in Istanbul.

Opening another peace center is a monumental achievement, and it is my great honor to invite you to celebrate at next year's Rotary Presidential Peace Conference at the Istanbul center. The three-day conference 20-22 February will highlight the many ways our family of Rotary advances peacebuilding. Registration for the conference is officially open. I hope to see you there.

The 2025 Rotary Presidential Peace Conference has great potential for our peacebuilding efforts — but only if we have your support.

The truth is, we're not going to bring peace to the world, end polio, or grow membership by waving a wand and saying some funny words. It's up to you. You create the magic with every project completed, every dollar donated, and every new member inducted.

Stephanie A. Urchick
President 2024-25

"I love my Rotary family and I know you do too. That's why I know that together, we can make every club and district simply irresistible. This year, let us change the world by embracing *The Magic of Rotary*".

Club Presidential message

It's great honor and pride to address before you as president of this vibrant club for the Rotary year 2024-25. My sincere thanks to all Rotarians and past presidents to mould me to this level.

As you all know we have our club strategic plan, known as our Action Plan, which are 1. Increase our impact, 2. Expand our reach 3. Enhance participants engagement and 4. Increase our ability to adopt. Also we have created our annual plan in line with Rotary plan this year. I strongly believe with the help of our committees and club members, we can able to achieve our club goals easily this year.

As you all know, this year our RI president theme is "The magic of Rotary". We have to create magic with every project what we are planning and completing, every dollar we are donating to the Rotary foundation and finally we have to create magic with every new member of Rotary.

We more focus on child education, creating literacy awareness, fight against drugs, membership growth and contributing to Rotary foundation.

Once again I thank all the Rotarians for the opportunity given to me to serve to this community.

Rtn.Sai Balaji
President 2024-25

"Arise, awake, and stop not till the goal is reached"
Swami Vivekananda,

ABOUT ROTARY

Rotary started with the vision of one man — Paul Harris. The Chicago attorney formed the Rotary Club of Chicago on 23 February 1905, so professionals with diverse backgrounds could exchange ideas and form meaningful, lifelong friendships.

Over time, Rotary's reach and vision gradually extended to humanitarian service. Members have a long track record of addressing challenges in their communities and around the world.

That commitment endures today through an organization that remains truly international. Only 16 years after being founded, Rotary had clubs on six continents. Our members now span the globe, working to solve some of our world's most challenging problems.

We're not afraid to dream big and set bold goals. We began our fight against polio in 1979 with a project to immunize 6 million children in the Philippines. Today, polio remains endemic in only two countries — down from 125 in 1988.

Attorney Paul P. Harris convenes the first Rotary meeting on 23 February in Chicago, Illinois, USA. Harris envisions a professional club that brings together local men from a variety of vocations.

ROTARY TIMELINE:

- 1907 The Rotary Club of Chicago meets with civic organizations to discuss the need for comfort stations (public toilets) to improve sanitation in the city.
- 1910 Members representing 16 Rotary clubs gather at the first Rotary Convention, in Chicago in 1910. They create the National Association of Rotary Clubs of America, adopt a constitution and bylaws for the organization, and elect a board of directors. As members of the association, Rotary clubs remain autonomous but share core values.
- 1917 Rotary president Arch Klumph proposes establishing an endowment "for the purpose of doing good in the world," which becomes a precursor to The Rotary Foundation. The Rotary Club of Kansas City, Missouri, USA, makes the first donation of \$26.50. In 1928, the Foundation is formally named and a Board of Trustees is created.
- 1957 Paul Harris Fellow recognition is established in 1957 to show appreciation for and encourage substantial contributions to the Foundation
- 1979 A multi-year grant project to immunize children in the Philippines launches Rotary in the fight to eradicate polio

"Whatever Rotary may mean to us, to the world it will be known by the results it achieves."

~Paul P Harries

ROTARY TIMELINE CONTINUED.....

- 1985 PolioPlus supports the commitment Rotary made a few years earlier to "eliminate polio through immunization." Today, that commitment remains a top priority and the PolioPlus program coordinates the efforts of Rotary and its partners. .
- 1987 Women join Rotary clubs throughout the U.S. following a decision by the U.S. Supreme Court. In 1989, women join clubs worldwide.
- 2004 Rotary creates the Arch Klumph Society to recognize individuals, couples, and organizations that have contributed \$250,000 or more to the Foundation. The first annual dinner is held at the 2005 convention in Chicago.
