**Dr. Sarvepalli Radhakrishnan**

*Teachers' Day: Why do we celebrate*

*Teachers' Day coincides with the birth anniversary of Dr Sarvepalli Radhakrishnan, a distinguished scholar and revered educationist who commanded great respect from his students.*

*History has it that when a group of students wished to celebrate his birthday, Dr Radhakrishnan proposed that they mark the occasion as Teachers' Day instead.*

*During Radhakrishnan's presidency from 1962 to 1967, he preferred a modest acknowledgment and expressed that he would be more pleased if the day were dedicated to honouring teachers.*

*Since 1962, educational institutions across India have celebrated Teachers' Day on September 5, his birth anniversary, to pay tribute to Sarvepalli Radhakrishnan and to all teachers who dedicate themselves to educating and guiding students.*

***The teacher among us, Rtn Geetha Anbazhagan.***

RCH Grand takes utmost pride in thanking her for her modesty and her great service in advance this month ahead of the Teacher's day
