SERVICE PROJECT

During our regular visits to Kolinjipatti Panchayat Union Middle School for various events, we observed that children were performing their programs on uneven mud and stone floors, causing discomfort and difficulty. To support the students, our club decided to donate a floor mat to provide a clean and safe space for their activities.

Floor Mat Donation:

With a donation of ₹5,000 received this year, we procured and donated a 15 ft x 15 ft floor mat for the school. This will help children during assemblies, cultural programs, and classroom activities.

Pressure Cooker Donation:

The school management also shared their difficulty in preparing daily noon meals for children using direct heat/cooking methods. Based on their request, we donated a pressure cooker to enable safe, hygienic, and faster preparation of nutritious meals for the students. Impact: Children now have a comfortable space for learning and activities. School can prepare healthy meals more efficiently for Grades 1 to 8. This project reflects Rotary's commitment to Basic Education & Literacy and Child Health & Nutrition.

WOMEN IN ROTARY: FROM PARTICIPATION TO LEADERSHIP

March 8th marks International Women's Day – a moment to celebrate progress, acknowledge challenges, and recommit ourselves to building a more equitable world.

For Rotary, this day carries special meaning. We are an organization built on the ideal of Service Above Self, and women have become an indispensable force in living that ideal every single day.

The Journey So Far

It was only in 1989 that Rotary International formally welcomed women as members. In just over three decades, women have transformed our organization. Today, women serve as Club Presidents, District Governors, RI Directors, and Trustees of The Rotary Foundation. In our own District 2982 and across India, women Rotarians are leading landmark projects in literacy, health, water, environment, and economic empowerment.

As the first woman president of Rotary Club of Salem Gudai, I have seen firsthand how a woman's perspective strengthens service. We bring empathy to planning, persistence to execution, and collaboration to leadership. We notice the child who hesitates to speak, the mother who skips her health check-up, the girl who drops out of school for lack of sanitation. And we don't just notice – we design projects around them.

How Women in Rotary Are Creating Change ??

Women Rotarians today are emphasizing change in three powerful ways:

Leading with Purpose: From organizing large-scale medical camps to driving literacy missions, women are heading complex projects with strategic vision and heart.

Mentoring the Next Generation: Women leaders in Rotary are consciously mentoring young girls through Interact and Rotaract, showing them that leadership has no gender.

Building Inclusive Clubs: Women foster fellowship that is warm, respectful, and family-oriented. We are making Rotary spaces where spouses, children, and young professionals all feeling inclusive.

The Road Ahead: Increasing Women's Participation

If Rotary is to truly represent the communities we serve, we must grow the proportion of women in our clubs. Diversity is not a checkbox – it is our competitive advantage in service.

Invite Intentionally: The doctor who treats your family, the entrepreneur in your apartment, the teacher who inspires your child – many accomplished women are waiting for just one invitation. Ask.

International
WOMEN'S
Day

Spouses in
FULL BLOOM

Assign Responsibility: Don't induct women and limit them to "ladies' projects." Involve them in core committees – finance, membership, foundation, public image.

Create Flexibility: Hybrid meetings, family-inclusive fellowships, and childcare support during major events make Rotary practical. Celebrate and Showcase: When women members lead a project, tell their story. Visibility creates role models and role models create recruits.

Our Pledge This Women's Day

As we celebrate March 8th, let every member of Rotary International take one step: Identify one woman of action and invite her to our next meeting. Let us be the club that doesn't just talk about diversity but lives it. Because when women rise in Rotary, communities heal faster, children learn better, and the world becomes a little more compassionate. Happy Women's Day. Let us lead the change.

ANNS' DAY OUT

To celebrate the spirit of Women's Day, the women members of Rotary Club of Salem Gugai came together for a special Movie Day Out on 11th March 2026. It was an afternoon of laughter, bonding, and relaxation away from routine responsibilities. The outing gave members a chance to connect informally, share experiences, and strengthen fellowship. Moments like these remind us that Rotary is not just about service, but also about the relationships we build along the way.
