DISEASE PREVENTION

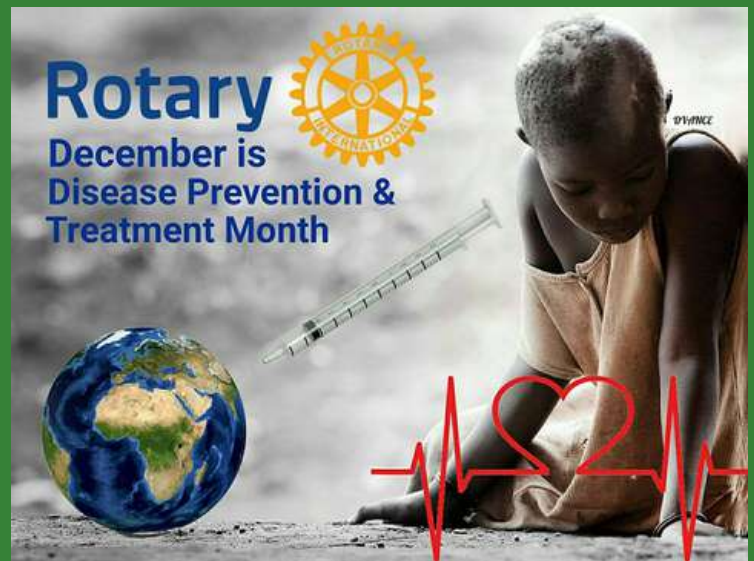

☀️ December is celebrated as Disease Prevention and Treatment Month in Rotary International , highlighting the organization's focus on enhancing health access, combating diseases like malaria and HIV/AIDS, and sustaining the eradication of polio. It emphasizes education, infrastructure, and immunization projects to reduce global misery.

DISEASE PREVENTION

Key Aspects of the Theme

- **Polio Eradication:** A primary focus, recognized as Rotary's major worldwide effort since the early 1980s.
- **Health Access & Infrastructure:** Clubs set up clinics, blood donation centers, and training facilities in underserved communities.
- **Disease Education:** Efforts are made to educate communities and provide screenings for vision, hearing, and dental care.
- **Interplay with Other Causes:** The theme connects closely with other areas of focus, such as Water and Sanitation.

Rotarians are encouraged to use this month to showcase projects that combat diseases, ranging from local health screenings to international support for medical infrastructure.

MRS. THANGAMANI DHINESH KUMAR
VISHAKAN DESIGNERS

My Journey as an entrepreneur...

I'm Thangamani Dinesh, and I'm thrilled to share my story with you. As the proprietor of **Vishakan Designers**, a machine embroidery shop, I've learned that entrepreneurship is a journey of self-discovery and growth.

I was always fascinated by design and patterns, and I knew I wanted to turn my passion into a career. With the support of my family, I decided to start my own business. I underwent vocational training in machine embroidery and began working on small projects. As I gained experience and confidence, I realized that I could create high-quality embroidery designs and started Vishakan Designers.

Today Vishakan Designers is a thriving business, offering a range of machine embroidery services to clients across various industries. I'm proud of my team of skilled artisans, who share my passion for design and quality.

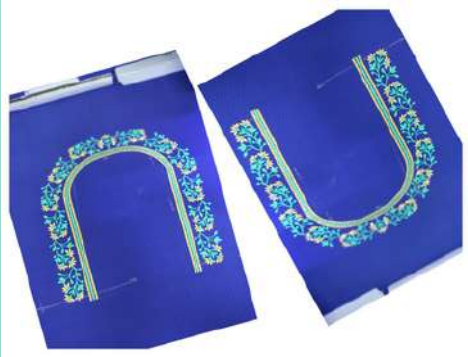

Tips for Women Entrepreneurs

To all the aspiring women entrepreneurs out there, I'd like to share some advice:

- Identify your passion and turn it into a business opportunity.
- Develop your skills and stay updated with industry trends.
- Leverage technology to enhance productivity and quality.
- Build a support network of like-minded individuals and seek guidance from mentors.

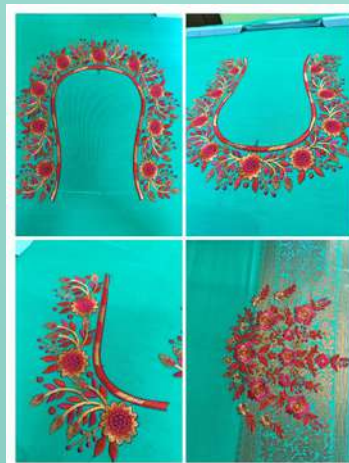

My journey has been incredible, and I'm grateful for the opportunities I've had. I hope my story inspires you to pursue your dreams.
