From President Desk

As we step into the Rotary-designated month, it offers us a meaningful opportunity to pause, reflect on our journey so far, and renew our commitment to service with purpose, compassion, and grace. Each milestone we achieve reminds us that Rotary is not just about projects—it is about creating lasting impact and meaningful change in the lives we touch. The past few weeks have been both productive and inspiring for our Club.

We had the privilege of hosting our Pre-OCV with our respected Assistant Governor, Rtn. Navnit Ajmera. The interaction was enriching and insightful, marked by constructive discussions, thoughtful guidance, and a shared vision for strengthening our initiatives. His appreciation of our structured functioning, disciplined administrative processes, and the spirit of teamwork was truly encouraging and motivating for all of us.

The Governor's Official Visit further reinforced this positive direction. The seamless coordination within the Club and the meticulous maintenance of our records were acknowledged with warmth. More importantly, the Governor appreciated the dedication, creativity, and innovative approach demonstrated by our members. It is this quiet yet consistent commitment that continues to elevate our Club's identity and strengthens our ability to serve with excellence.

A key area of discussion during these interactions was the importance of creating awareness about cervical cancer—an issue of deep social relevance that requires timely attention and education. I am pleased to share that our Club has resolved to undertake a focused awareness initiative in the coming month of June. Through this effort, we aim not only to spread awareness but also to encourage preventive care and early detection, thereby contributing meaningfully to community well-being.

On the service front, the distribution of 192 water wheel drums in Palghar stands as a significant milestone for our Club. This initiative, aimed at easing the daily burden of water collection for families, has been met with heartfelt gratitude from the beneficiaries. It is a powerful reminder that even simple, thoughtful solutions can transform everyday lives and bring dignity to communities in need.

As we move forward, let us continue to build on this momentum with renewed enthusiasm and a shared sense of purpose. Rotary gives us the platform, but it is each one of you—your ideas, your efforts, and your dedication—that truly bring our vision to life.

I extend my heartfelt appreciation to every member of our Club. Your commitment, creativity, and collaborative spirit are the foundation of our success. Together, let us continue to uphold the values of Rotary, strengthen our impact, and serve with integrity, compassion, and pride.

Warm regards,

President

Erick Elavia

Happening in April

PRE - OCV

The Pre-OCV meeting of our Club, held on 3rd April, was graced by the presence of our respected Assistant Governor, Rtn. Navnit Ajmera.

The evening unfolded in a warm and cordial atmosphere, beautifully reflecting the true spirit of Rotary fellowship and unity. The interaction was both engaging and insightful, providing an excellent platform for the exchange of ideas, perspectives, and plans for the year ahead. The discussions were meaningful and forward-looking, strengthening our collective vision and commitment to impactful service.

Rtn. Navnit Ajmera appreciated the dedication, structured functioning, and enthusiasm of our Club members. His encouraging words and thoughtful observations were truly motivating, reinforcing our belief in working together with purpose and passion.

The evening was further enhanced by delightful fellowship, where members connected beyond formal discussions, strengthening bonds of friendship and camaraderie.

The warmth of the gathering, complemented by enjoyable food and conversations, made the occasion both productive and memorable. Overall, the Pre-OCV meeting was not just a review interaction but a celebration of teamwork, shared values, and the vibrant spirit that defines our Club.

Club Official Meeting

Official Club Visit - A Proud and Inspiring Milestone 17th April

The Official Club Visit of District Governor Rtn. Dr. Manish Motwani on 17th April marked a proud and memorable occasion for our Club. The evening was further honoured by the gracious presence of Assistant Governor Rtn. Navnit Ajmera, District Secretary Rtn. Aditya Singh, and Chief Coordinator Rtn. Monica Grover, making it a truly distinguished gathering.

The visit reflected the strength, discipline, and spirit of our Club. The District Governor appreciated the excellent maintenance of our administrative and financial records, acknowledging the systematic and transparent functioning that forms the backbone of our operations. He also had special words of praise for the Club's impactful and sustainable service projects, recognizing the dedication and thoughtful efforts of our members in creating meaningful change.

A particularly touching and inspiring highlight of the evening was the presentation of Annual Reports by students representing 8 Interact Schools and 2 SNTD Rotaractors. Their heartfelt expressions of gratitude and the confidence with which they shared their experiences stood as a true testament to the positive influence and continued support extended by our Club.

The occasion was further marked by the release of the Club Bulletin, thoughtfully prepared by Rtn. Sonal Somaiya, showcasing the Club's journey, achievements, and vision. Adding to the pride of the evening, the Rotary Verified Business Certificate was presented to Rtn. Nargis Gaur, recognizing professional excellence within our Rotary family.

The Club Assembly was conducted smoothly and efficiently, reflecting strong coordination and teamwork among members. The highlight of the formal proceedings was the Governor's inspiring address, where he shared his vision through key flagship initiatives such as Pink Auto, Cervical Cancer Vaccination, and Medical Dispensary projects.

His words motivated and energized the members, encouraging greater participation in initiatives that directly impact society. The evening concluded with warm fellowship over dinner, offering members an opportunity to connect, celebrate, and reflect on the Club's achievements. It was a moment of pride for all of us—an affirmation of our efforts and a reminder of the path ahead as we continue to serve with dedication and purpose.

Water Wheel Project

Water Wheel Project – A Step Towards Dignity and Ease

The Rotary Club of Mumbai South Cuffe Parade continues to create meaningful change through its ongoing Water Wheel Project at Wada.

Access to water is a daily challenge in many rural areas, especially for women who often walk long distances carrying heavy loads. With the distribution of 435 water wheels, our club has taken a significant step towards easing this burden and restoring dignity to countless families.

These water wheels not only reduce physical strain but also save time, enabling women and children to focus on education, health, and livelihood.

This impactful initiative would not have been possible without the unwavering generosity of Rtn. Ashok Bhanshali, whose dedication to this cause has been truly inspiring. Year after year, he has supported this project wholeheartedly, as it remains very close to his heart. His compassion and commitment exemplify the true spirit of Rotary—Service Above Self.

Through projects like these, our club reaffirms its commitment to creating sustainable and meaningful impact in the communities we serve.

Heartiest congratulations on the launch of this pioneering AI-powered retinal scanner, a remarkable first in India. This pathbreaking innovation, capable of accurately assessing eye diseases and even predicting their progression 3–5 years in advance, is truly a milestone in the field of ophthalmology. Its immense potential in managing conditions like diabetes-related eye disorders, age-related macular degeneration, and glaucoma makes it nothing short of a vision-saving advancement. Your commitment to bringing world-class technology to India, even with such a significant investment, reflects your dedication to patient care and medical excellence. This initiative will undoubtedly transform early diagnosis and preventive eye care for countless individuals. The Rotary Club of Mumbai South Cuffe Parade applauds your vision, innovation, and service to society. We are proud to be associated with such progressive efforts that create a lasting impact on community health. Wishing you continued success in your mission to protect and preserve sight.
