Our Message

One of the most important things we can do to tell our Rotary stories in an effective, compelling way is to make sure we all use consistent and unified messaging.

You can use the president's message for 2025-26, Unite for Good, to inspire members, participants, and the public with an idea that aligns with our Action Plan and calls on us to work together.

Using the presidential message in your club and district communications helps to convey Rotary's global impact and create stronger recognition of Rotary's name in our communities and with potential service partners.

It can help people understand who we are and what we do and might even inspire them to join us.

Dear Inspired President Errick Elavia and Rotarians of Mumbai South Cuffe Parade,

Firstly, heartiest congratulations to all of you on the release of your first bulletin after coming together of two like-minded clubs. I am sure your journey together will be surely more enjoyable than your individual paths. We all know that when the strengths of two come together, they not just add up, they complement and multiply!

I know for sure, initially when you introduce your self, you may state your earlier club, but that habit will soon go and you will get used to your new identity and introduce yourself!

Irrespective of your origin, your work truly comes from the heart. Over the last 50 plus years, through your projects have touched through all communities — rich or poor — you educate young minds, feed 750 children daily, guide 23 vibrant Interact clubs, support prison inmates, and even extend empathy and support to sex workers. These actions reflect Rotary's spirit of service above self and are really commendable.

I encourage you to continue serving with heart and inspiring each other. Let us also remember to INSPIRE:

I – Involve Every Member: Each of you brings unique talents. Let's make our club vibrant and inclusive.

N – Nurture Our Projects: Build on past successes and innovate for the future.

S – Seek Strategic Support: Engage donors, corporates, and allies to amplify your work.

P – Promote Leadership and Responsibility: Lead with clarity, purpose, and passion.

I – Initiate Meaningful Connections: Meet informally and foster unity as one family.

R – Reach Out Personally: Let's talk, listen, support, and celebrate together.

E – Engage with Joy and Purpose: Serve wholeheartedly and enjoy every milestone.

I also urge you to explore opportunities to serve in our district's focus areas which are Cancer screening and detection, Model villages, Rotary Connect (networking), Managing lifestyle diseases, Mental health and de-addiction, Women's empowerment and Rotary Hospitals

I am proud of all that you do and wish your club continued success, joy, and growth in the times ahead.

Dr Mahek and I wish you all the very best for many more years of Service!

With Warm Rotary Regards

Dr Manish Motwani

As your President, I am committed to nurturing this spirit by ensuring every member feels valued, included, and empowered to make a difference.

Our focus will be on creating an exciting, impactful year — with meaningful community projects, engaging speaker sessions, collaborative initiatives, and of course, plenty of fun, fellowship, and celebration. This is the year where we will:
