Rotary Club of Mumbai South: A Month Dedicated to Basic Education and Literacy

My Dear Rotarian family,

It fills us with pride to reflect on our impactful journey, dedicated to basic education and literacy—one of the core themes of our Rotary mission. This month, we embraced a holistic approach, ensuring that learning extended beyond traditional academics, touching the hearts and minds of young learners across our community. Our flagship project this month was a vibrant fusion of arts and culture. We provided children with fantastic exposure to arts and folk dances, igniting their creativity and nurturing their appreciation for our rich cultural heritage. This initiative emphasized not just intellectual growth but also inspired and encouraged our children holistically, instilling in them the confidence to express themselves through various art forms. The icing on the cake was our comprehensive pediatric check-up conducted for school students, where nearly 800 children's eyes were checked. We executed a follow-up plan, ensuring that those in need received the necessary support and care. This initiative highlighted our commitment to creating a conducive learning environment for every child, backed by good health and well-being. Additionally, this month saw us celebrating Janmashtami and Ganesh Chaturthi with our usual Rotary spirit. These celebrations were not just about fun and festivity, but also about fostering camaraderie and fellowship within our Rotarian family. The joyous gatherings served as a reminder of the unity and togetherness that underlines all our endeavors. In conclusion, September was truly in alignment with the essence of Rotary's designated month on basic education and literacy. Through diverse projects and celebrations, we enriched young minds and strengthened community bonds. Let us continue our journey with the same passion and dedication, driving change and making a difference.

Padmashree Prof. Rtn. Dr. Keiki Mehta President

Words of praise for Shiv for leading the project.

In the vibrant spirit of Youth Month, the Rotary Club of Mumbai South executed a laudable project under the vibrant leadership of President Dr. Keiki Mehta, IPP Rtn. Shiv Prasad Khator and Panaskarji. Their dedication to empowering the youth with innovation and learning truly set a benchmark for future initiatives.

Kudos to the team for their unwavering commitment and impactful contribution!

❖ First day of the youth month: Drawing competition very well planned by our IPP. Shivprasad Khator and Rtn. Panaskarji . Participation of the teachers, staff and enthusiasm of the students gave a colorful beginning for the success of the youth month. Shivji it really shows your hard work and commitment. hats off to both of you. Congratulations to President Dr. Keiki Mehta and Honorable, Sec. Rtn. Nargis .

Warm regards,
RTN Sonu Chowdhry

❖ September Youth month activities are in progress and overwhelming response from the students. On Friday we successfully executed the quiz project jointly with Shree Adarsh Ramlila Samiti. I personally thank PP Rajendraji Agrawal - President of Adarsh Ramlila Samiti who very beautifully executed the project. Lots of media coverage's. Very heartening. pictures are self explanatory.

❖ I take this platform to thank Panaskar Sir for his valuable efforts enabling to make this event a mega success project. Thanks Panaskar Sir. Regards Shivprasad R Khator

Youth month activities ended with its Valedictory event together with Nation Builder Awards. Our president Padamshri Dr. Keiki Mehta graced the event and presented these awards among 500 students audience, 25 teachers and parents. The event was noteworthy and loads of Cheers and joy. Our club members Nargis Gaur, Satishji Maheshwari, Sonu Chowdry, Tehmpton Dalal, even witnessed this mega event. Dr. Keiki Mehta and SNTD Principal gave a small motivational talk to the audience.

Member's achievements

Mr. Virendra Sanghavi was facilitated by Morari Bapuji at Jamnagar, during the function of Kasturba Kanya Vidyalaya Modernization. There are 200+ Girls who are provided free food and education. Aarvi Encon has contributed about Rs. 8 Lakhs for this activity along with other donors Mr. Virendra Sanghavi was facilitated.
