ECO FRIENDLY GANESHA MAKING WORKSHOP

Team Rural and Environment committee of RCBW had organised a Eco Friendly Ganesh Idol making workshop. It was arranged with the help of an organisation called Meetakriti Art Studio, who came and demonstrated how to make idol of Lord Ganesha out of river clay.

There were 17 students from Dixit Road Municipal School, 6 Rotaractors from Rotaract Club of Andheri, 3 guests, 10 Rotarians and family members who were part of the workshop. All of the participants made very beautiful and unique Ganesh idols.

Rtn. Nilesh and R/Ann Neesha had organised yummy modaks for all of us, which gave a very sweet ending.

Members and family members in attendance were

- Rtn. Rajul Doshi
- R/Ann. Neesha Samant
- Rtn. Prabha Binani
- Ahana (daughter of Rtn. Nishant Bafna)
- Rtn. Kinny Kaul
- Rtn. Manish Mehta

PROJECTS

FIRST AID TRAINING

First aid training was organised at SS Sahani school in association with Red Cross society by Dr Pratima Kodkani and Medical Director DrKamalD'mello

Students enjoyed learning first aid very enthusiastically. Excellent cooperation from Red cross and teachers and staff of Sahanischool

SWACHTA ABHIYAN

Under the Swachta Abhiyan, our Interact Club Of Anandilal Podar Vidhyalaya invited Dr. Rtn. Pratima Kodkani to enlighten them on health and hygiene. Dr. Pratima explained in depth the importance of health and hygiene involving the students and asking questions.

Attended by 120 Students, 3 teachers, Principal & Rtn. PP Samapti Patel

COCHLEAR IMPLANT

The sparkle in the eyes of a child, newly fitted with cochlear implants, upon hearing a sound for the first time is priceless. We have added a service of 'Switch on' (a procedure where 3-4 weeks after surgery, an external Cochlear Implant device is fitted on the child's ear) and ongoing 'Mapping' of Cochlear implants at Shruti school. We have done the first 'Switch on' on 8th September 2023 by a trained Audiologist. Our aim is to provide all services under one roof for Hearing Impaired children. 50% Students at Shruti School are using Cochlear implants. They have to go for mapping at various centres. Our heartfelt gratitude to Cochlear company, Dr. Samir Bhargava and RCBW for their constant support.

ACTIVITIES AT KDN SHRUTI SCHOOL

SOCIAL AWARENESS ACTIVITY FOR ECO FRIENDLY GANESHOTSAV

As all of us know that the most of the people use Ganeshmurti made up of Plaster of Paris which is harmful for environment. At KDN Shruti School Interact members undertook a campaign for social awareness in this regard. On the 6th September 2023, the members of the Interact Club of Shruti School did a social awareness campaign about use of eco friendly Ganesh murty during the Ganesh Utsav celebration. The RCUPG members and Interact Club members jointly did this activity. Interactors and Rotractors stood outside Andheri railway station with banners and distributed pamphlets to the commuters. Pamphlets were distributed to convey the message that the Ganeshotsav festival should be celebrated in an eco-friendly manner.
