"Teamwork is the ability to work together toward a common vision.
The ability to direct individual accomplishments toward organizational objectives.
It is the fuel that allows common people to attain uncommon results."
– Andrew Carnegie

CLUB PROJECT - 4 OCT

4 October : A few of us -- PP Rtn Viney Singal, PP Rtn Vinit Vidyarthi, President Rtn Padmini Parameswaran and Hony. Secretary Rtn Pradeep Batra, visited the 4 'Asnganwadis' where we have been given permission to implement our projects. It was quite an experience to take a look at these Centres and identify areas where the little children might need support. Our intention is to provide books for them, learning and activity materials, whiteboard and blackboard where required, Sanitary Napkins for the mothers and teachers, play equipment for the little children and maybe conduct some health camps and Homeopathy clinics in the future. We will start the first one in the month of November.

CLUB MEETING - 5 OCT

The AGM at RDK was a meaningful event at which it was decided that PP Rtn Viney Singal the current Chairman RDK, will continue in that post for one more year. The Chair RDK takes the post for two continuous years before handing over the responsibility to the next in succession. There were many other matters relating to RDK and the Fundraiser on 23th November that were discussed at the meeting. The lunch that followed was as delicious as always

BHAJAN SANDHYA - 6 OCT

6 October : Rtn Shashi Aggarwal and PP Rtn Sanjay Aggarwal invited the entire Club for a ' Bhajan Sandhya' an annual event that is held in memory of their father Late Shri S.S. Aggarwal. The soulful rendition of bhajans by Shri Venugopal Goswamiji Maharaj were beautifully sung. It was a wonderful evening and we are grateful to Rtn Shashi and Rtn Sanjay Aggarwal for making us a part of their family in this emotional moment.

HOMEOPATHY CAMP - 10, 15 AND 25 OCT

We have a new Homeopathy Doctor at RDK. Dr Jyoti Verma joined us in early October and the young girl has already held several Homeopathy camps in Vishwas Nagar. She saw 69 Patients on the 10th of October, 38 patients on the 15th and 28 on the 25th of October. While the reducing number of patients is evidence of good treatment it also means we will need to take Dr Jyoti to other areas around RDK. Our 'aanganwadis' have been identified and we will take our camp to the area near Lakshmi Nagar Metro Station once the weather is a little conducive.

SPEAKER MEETING - 19 OCT

He came, he spoke and he conquered !! Shri Sathyanarayanan Shastrigal hails from a family of priests who are well versed in the vedas and in Hindu rituals. He is a young Biotech Engineer who was also trained to be a Priest since the age of 8 and somewhere along the way he realised he wasn't really cut out for any mainstream vocation and that his heart was more in his family's profession. He was invited to RCDC to speak on the power of Chanting And the impact of Astrology in the modern day world. He applied his knowledge in Science to bring out amazing facets of Chanting that were truly enchanting. He is an articulate young man and he won many hearts

that day ; Members were requesting an encore so we might see him again soon in another avatar. A very interesting afternoon indeed -- greatly appreciated by all.

He was introduced by PP Rtn R.K Sinha who made it even more interesting by adding on his own immense knowledge in the scriptures. The vote of thanks was rendered by the equally interesting PP Rtn Vinit Vidyarthi who said the most appropriate words of appreciation at the end.

19 AND 23 OCT

The Members have contributed funds towards Nikshay Mitra, the Hon'ble Prime Minister of India's initiative to provide nutritious food packages to the underprivileged families of TB Patients. A little over 90 packets are distributed every month and in October too we held two Nikshay Mitra Camps at RDK. We also held a small camp for Patients in need of Prostheis, Physiotherapy, crutches and wheelchairs on the 23rd of October.

SHATABDI MAHOTSAV OF SURAJ KANYA SHIKSHALAY - 18 OCT

PP Rtn Chandrashekhhar Gupta had invited the entire Club for the 'Shatabdi Mahotsav of Suraj Kanya Shikshalay' a school that was founded by his family and one that they continue to look after. The school is an All Girls School with students until the Primary level. They performed beautifully on stage and a lot of planning had gone into the choreography, the song selection, the LED background, the costumes and the props. It was very a seamlessly organised event and we thank CSji for making us a part of the family and even honouring us on stage.

DEEPAVALI CELEBRATIONS !! - 23 OCT

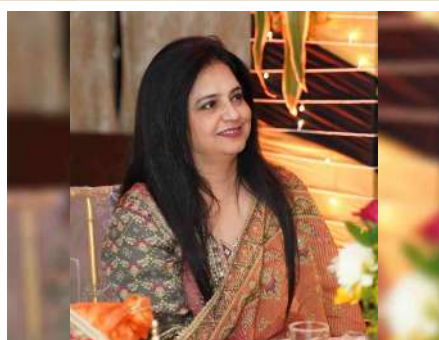

RCDC had it's Diwali Celebrations at the DSOI on this day. The event started with 'Hapusa (Gin) Tasting' which was organised by President Rtn Padmini Parameswaran and Rtn Subra Parameswaran's son Abhishek. The Gin based Cocktails were delicious and so were the starters to go along with it. The ambience was perfect with fairy lights twined around the pillars and outlining the cascading fabric on the walls. Thank you, Tina Ahuja, for organising the Singers. They were outstanding and their mellifluous songs transported us to another world.

CLUB MEETING - 25 OCT

The ladies Committee was in action again. This time it was Meenu Miglani who took the lead and very kindly hosted an afternoon for the ladies of RCDC. From Dr Lalitha's description of the event it was the most fascinating event with meaningful discussions and Speakers who spoke to the ladies about embracing menopause with joy and some about Orthopaedics and the problems we go through at every stage. There were lots of fun and games too and delicious food from Old Delhi. The host for the evening, Meenu Miglani had decorated the entire venue beautifully and even organised return gifts for all those who attended the meeting. A splendid afternoon indeed and we are very grateful to our lovely Meenu for organising it
