Mega Blood Donation Camp at Amity University : A Noble Step Towards Humanity

To champion the noble cause of saving lives through blood donation, our club, in collaboration with Amity University and the Rotary Blood Bank, organized a Mega Blood Donation Camp on Thursday, 21st November 2024. This impactful event reinforced Amity's unwavering commitment to societal welfare and humanity.

Taking a significant step toward making a difference, over 150 units of blood were donated by enthusiastic volunteer donors, including students, Rotary members, faculty, and staff of Amity University. The overwhelming participation symbolized the collective spirit of compassion and responsibility.

The event witnessed the gracious presence of Mr. Ajay Chauhan, Trustee of Amity Education Group and PP of Rotary Club of Delhi City, who expressed immense pride in the event's success. He encouraged everyone to actively participate in such initiatives, emphasizing how a single drop of blood can save countless lives.

Adding to the inspiration, Rtn. Amita Mohindru, DGE, lauded Amity University's commendable efforts in organizing such camps for the greater good of humanity. The event was further graced by the presence of PDG Rtn. Rupak Jain, President of Rotary Blood Bank, along with an esteemed gathering of Past Presidents and Rotarians of our club.

The camp stood as a testament to Amity University's ethos of giving back to society and fostering a sense of Generosity.

FOOD FOR THOUGHT

The difference between a successful person and others is not a lack of strength, not a lack of knowledge, but rather a lack of will.
