Rotary Protocol and Decorum

Every Rotary Club has to organize a number of functions and meetings. There is a certain protocol to be observed to organize dignitaries, to show them love and respect of the organization. A proper observance of protocol enhances the prestige of the concerned club and also brings decorum. A few hints on protocol are;

1. Any Rotary meeting hosted by a club, and / or a regular meeting of the club should be presided over by the President of the club. The meeting should be called to order by the President and not by the Master of Ceremonies.
2. Any Rotary meeting hosted by the District or District committee will be presided over by the District Governor. Governor will call the meeting to order.
3. The protocol to be observed in order of precedence of greetings is District Governor, Past District Governors (seniority wise), District Governor Elect, District Governor Nominee, District Officers, President, Past President, President Elect, and Secretary and so on.
4. The General rule is that current position takes precedence over past position, past position takes precedence over future position, accompanying spouses will have the same ranking.
5. Once protocol is observed in a meeting initially, the subsequent speakers need not repeat the protocol. This will help save time and avoid possible foul-up of protocol.
6. In any Rotary meeting if the Governor is present as the Chief Guest, he should speak last. After the speech of the Governor, there should be no further speeches. The only item after his speech should be acknowledgments and vote of thanks.
7. During the official visit of the Governor to the Club, there should be no other Chief Guest, Governor being the only one.
8. All Rotary club meetings, except training or normative sessions should be concluded as far as possible, within one hour. Care should be taken to ensure that standard and values of Rotary are not diluted or compromised at meetings.
9. The functions of Master of ceremony, if at all necessary, should be limited only announce the item of the agenda to be followed. He / she is not expected to make comments on the speeches or assure anything on behalf of the club, which should be the prerogative of the Presiding Officer.

Why wear a Rotary Pin ?

Recently, Rotarians around the world were asked this question.

Reason for wearing a pin varied; for publicity of Rotary, for pride, for acceptance and recognition, and for the start of easy conversation with other Rotarians wherever you go.

Past RI President Bob Barth (1993-94, from the Rotary Club of Aarau, Switzerland) felt that a Rotary pin says this about the wearer; "You can rely on me, I am dependable, I am reliable, I give more than I take, and I am available."

We know we can rely on you!

Please let us wear and meet with our lapel adorned at all times of the day.

MESSAGE

Dear Sanjay,

At the outset I would like to convey my heart felt greetings and best wishes

There are very few organizations that have existed for hundred years or more. The fact that Rotary has achieved this vital milestone is a very positive sign that there is need for Rotary service. Now we are in the second century of rendering service and it is our duty to make the club strong in such a meaningful way that spread fragrance of service in the coming years and the members become immortal by their good and benevolent deeds.

I am pleased to learn that our club under your leadership is coming up with the members Directory. A directory is an important tool for the Club members to disseminate the priorities of Rotary viz. Support and Strengthen club, Focus and increase humanitarian service and create public image and awareness. This will facilitate members to fulfill their goals. Swati joins me in complementing you, Kishore and your team for this initiative and also for promoting bonding among members and Annes of our esteem club.

MESSAGE

Dear Members of
The Rotary Club of Delhi Heritage,

As we enter a new Rotary year, I am humbled and honored to serve as your District Governor 2026-27. This is not just the beginning of a new term—it's the continuation of a legacy built on service, fellowship, and unwavering belief in a better world.

It is with deep respect and admiration I extend my warm greetings to each of you on your Silver Jubilee Celebration as you celebrate an incredible milestone in Rotary service, impact, and fellowship. A celebration is not just a measure of time — it is a testament to vision, perseverance, and purpose. For all these years, your Rotary Club has exemplified what it means to be People of Action. Your projects, leadership, and commitment to the ideals of Rotary have touched countless lives and strengthened the fabric of your community.

My vision for RY 2026-27 is, "I Believe in Rotary," is both personal and universal. It reflects the deep faith I have in Rotary's power to unite, uplift, and transform. It is a call to every Rotarian to rediscover the why behind our service: why we joined, why we stayed, and why we continue to give.

In a world often divided, Rotary remains a force that brings people together. We are catalysts for peace, champions of health, advocates for education, and protectors of our environment. Through our collective action, we embody Rotary's timeless motto: "Doing Good in the World."

But doing good doesn't happen by chance—it happens through intention, commitment, and belief. When we believe in our mission, our clubs thrive. When we believe in each other, we grow stronger. And when we believe in Rotary, we make the impossible possible.

This year, let your history be your foundation and your future be your inspiration. Continue to innovate, mentor, include, and lead — just as you have done for half a century. Let this celebration be both a reflection and a renewal — of purpose, passion, and possibility.

This year, let's embrace the spirit of belief in all that we do. Let's innovate boldly, serve generously, and lead with heart. Let's inspire others—by our actions and our example—to believe in Rotary too. Together, we will not only serve—we will shine.

Congratulations on your outstanding Rotary service!

Dear Fellow Rotarians,
Rotary Greetings !!

At the outset I wish to congratulate each member of Rotary Club Delhi Heritage, on the occasion of their club completing 25yrs. It is indeed a milestone in the history of your illustrious club. What better way to celebrate this than bringing out a Club Directory on this occasion. I wish your club many more years of service and achievements, and may the coming years bring great laurels to your prestigious club.

A Club Directory is an important resource for connecting Rotarians of a club with each other. It is an invaluable tool for smooth and efficient functioning of the Club through interaction, connecting various office bearers of the club, stalwarts from our Council of Governors, and the respective members of the District Team too. I am sure the Club Directory will help achieve goals both at Club and District Level.

Your Club is one of the finest in District 3011, having incredible Projects which connect with the communities to bring lasting change in the world around us.
