Embracing a Vibrant Future

Dear Fellow Rotarians

As we reflect on a busy and fulfilling month, I am delighted to share some of our club's remarkable activities that embody our commitment to community service and fellowship.

One of our significant initiatives this month has been the launch of Jeevan Dhara (Life Stream), a dialysis relief project undertaken in collaboration with the Sai Leela Welfare Trust. This initiative aims to provide concessional dialysis treatment. It is heartening to see our members rallying together to contribute for this noble cause.

Our first Club Assembly was an occasion to showcase the good work done by us. Our Assistant Governor Bhavna Bhadreshwara expressed her appreciation for the impactful activities our club has been undertaking. Her encouragement fuels our passion and commitment to serving our community better.

The inauguration of a Computer Lab along with the renovation of classrooms at Priyadarshini Vidya Mandir & Night Junior College in Charkop, Kandivali West was an occasion to cherish. These upgrades not only enhance the learning environment but also empower our youth with essential skills for the future.

More about this project in the following pages.

A pictorial representation of many of our projects will be showcased in the pages to follow.

As we continue our journey together, let us carry forward the spirit of service and fellowship. Wishing happiness and success to all our Rotarians and their families. Together, let us strive to make a difference, one project at a time.

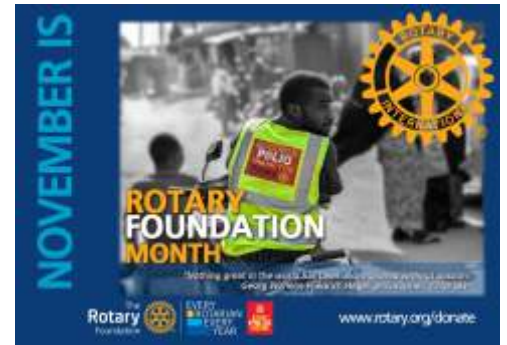

In Rotary Service,
Harish Chandarana
President.

Project of the Month

Rotary Foundation: Empowering Change and Building Hope

As we enter November, a month dedicated to the Rotary Foundation, we reflect on the vibrant impact this organization has on communities around the world. The Rotary Foundation is more than the financial backbone of our efforts. It embodies our collective commitment to making a difference and displays the magic of Rotary in action.

Founded in 1917, the Rotary Foundation has transformed countless lives through its initiatives in health, education, and community development. From eradicating polio to providing clean water, the Foundation enables us to tackle the world's most pressing challenges. Every contribution we make fuels this mission, allowing us to extend our reach and amplify our impact.

On this front our Club is poised to achieve a milestone this year. We have given a commitment of contributing \$125,000 to the Foundation. We have reached a fair way in the quest of reaching this milestone. When we reach it, it will be the best ever contribution from our Club in its nearly four decades of existence. This achievement reflects our vibrant commitment and generosity. Each dollar we contribute is not just an investment in our projects but also a means to inspire hope and uplift communities.

The Foundation operates on a simple yet profound principle: every act of service matters. It empowers clubs like ours to act in ways that can reshape lives. With programs such as Global Grants and District Grants, we can implement sustainable projects that address local needs while fostering global partnerships. Our club has been fortunate in this regard with many global grants that has helped us do landmark projects. Our contributions help fund scholarships, vocational training, and disease prevention programs that lead to lasting change.

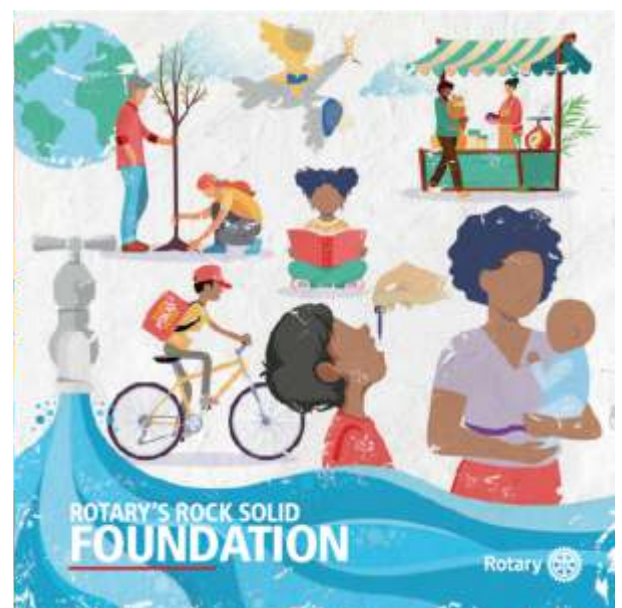

Each one of us plays a vital role in this journey. Your support, whether through donations or participation in projects, adds to the collective power of our club. Together, we can harness the spirit of Rotary and the magic it brings to create a brighter future for those in need.

Let us take pride in our achievements and continue to champion the values of service and compassion. This November let us recommit ourselves to the Rotary Foundation and the transformative work it enables. Together, we can build a world where hope prevails, and every community thrives.

Let us unfurl the magic of Rotary.

Classroom renovation and computer lab inauguration

Classroom renovation and computer lab inauguration

On October 8, 2024, RC Borivili proudly inaugurated the newly renovated Computer Lab and classrooms at Priyadarshini Vidya Mandir and Night Junior College in Charkop, Kandivali West. This significant upgrade modernized facilities that had dilapidated walls and noisy tin roofs, disrupting the learning experience. The renovations included replacing tin roofs with cement ceilings, enhancing acoustics and temperature control, and refurbishing the teachers' room and Computer Room. With new computers, the lab is now better equipped to serve the educational needs of the 400+ students enrolled in two shifts.

The ceremony featured Chief Guest DG Rtn. Chetan Desai and Guest of Honour PP Vinay Vyas. This project was made possible through the generous contributions of donors Rtn. Rakesh and Beena Sheth, Rtn. Vikram and Mona Shah, and Rtn. Jitendra Vora and Rtn. Bhavesh Vora family. This initiative not only enhances the learning environment but also strengthens our commitment to quality education in the community.

Dussehra

On October 12, 2024, the Club celebrated Dussehra by intertwined spirituality, community bonding, and educational advancement. At the Rajendra Kinariwala Memorial Rotary Borivali Education Centre in Borivali East, a serene Satyanarayan Mahapujan was held.

This traditional ceremony brought together RCB members to seek blessings for health and prosperity, with newly inducted members Kunal and Monalli Vorra leading the puja, infusing the occasion with personal significance.

The highlight of the day was the inauguration of the new Digital Education Centre, marking a significant step forward in providing essential educational resources and opportunities to the community. Chief Guest, AG Bhavna Bhadreshwara, along with Guest of Honour Rtn. PP Umesh Soni, graced the event, reinforcing the importance of education in today's digital age. Special gratitude was extended to donors Rtn. Jitendra Vora and Rtn. Bhavesh Vora for their generous contribution of four computers. Inspired by this generosity, new member Rtn. Rajiv Shah pledged an additional computer.

The celebration was enriched by the delightful flavours of traditional Jalebi and Fafda, adding a sweet touch to the festivities. The Dussehra celebration was a reaffirmation of cultural heritage and community spirit.

દાકૃતરી વ્યવસાય અને માનવતાનો ધર્મ

દાકૃતરી વ્યવસાયમાં દાનવત્તાનો ધર્મ ભલે પ્રોફેશન હોય છે. ભૌતિકવાદી સમયમાં અર્થ ઉપાર્જનને પ્રથમ અગ્રતા આપવા, પણ સેવાભાવથી કામ થાય ત્યારે લોકોમાં ચર્ચા થાય અને એ વ્યક્તિ આદર પામે છે.

બોરીવલી-ઉડ્ડેમાં એસિયન આર્ટ ઈન્સ્ટિટ્યુટ છે જ્યાં બેનર મુકવામાં આવ્યું છે. રૂ. ૧૭૦માં આંખની તપાસણી અને રૂ. ૫૦૦માં મોતિયાનાં ઓપરેશન. સામાન્ય રીતે ખાનગી હોસ્પિટલમાં પગથિયાં ચડતાં મહેલાં લોકો વિચાર કરે પણ અહીં તો બેનર લગાડ્યું છે. પછી ડોક્ટર સાથે વાત કરી અને મુલાકાત લીધી ત્યારે બનર પડી કે, અહીં તો કેટલાય લોકોનાં આંખનાં ઓપરેશન વિનામૂલ્યે થાય છે.

અહીં વાત કરી છે - પુવાન આંખના સર્જન ડૉ. હિતેશ છેડાની. ડૉ. હિતેશ છેડા મૂળ કચ્છ બિહારના મૂળ વતની છે. કેઈએમ હોસ્પિટલમાંથી એમબીબીએસ થયા પછી સાયન હોસ્પિટલમાંથી એમબેસ ઓપ્થેલમોલોજી થયા અને બેલિજમથી રેડીના ડેલોરિય કરી. જે ઈન્ટરનેશનલ કાઉન્સિલ ઓફ ઓપ્થેલમોલોજી મારફત બેલિજમથી કરી છે.

મોટી રાયદમાં વિનામૂલ્યે ઓપરેશન

માનવતા કાઉન્ડેશન ડોમિનવાસી દ્વારા મોટી રાયદા ગામે વિનામૂલ્યે આંખ તપાસણી અને લેઝરથી મોતીબિંદુ

ડૉ. હિતેશ છેડા

મુંબઈજી ગાલ

કનૈયાલાલ જોષી

(મોતિયા)નાં ઓપરેશન કરવામાં આવે છે. છેલ્લાં ત્રણ વર્ષથી આ કેમ્પ યોજાય છે જેમાં ડૉ. હિતેશ છેડા સેવા આપે છે. માનવતા કાઉન્ડેશનના કાર્યકર્તા ખુશાલભાઈ ગડા છે.

મોતિયાનાં ફી ઓપરેશન

ડૉ. હિતેશ છેડાને જણાવ્યું કે, આપુખ્તાન ભારત અને મહાત્મા જ્યોતિબા ફૂલે જન આરોગ્ય યોજના અંતર્ગત આંખના પડદા, ગામર, ગ્રાંઝી આંખ, વેલ, કીકીનું પ્રત્યારોપણનાં ઓપરેશન થાય છે પણ મોતિયાનાં ઓપરેશન આ યોજના હેઠળ થતાં નથી. મેં છેલ્લાં ચાર વર્ષમાં મોતિયાનાં બે હજાર ઓપરેશન રૂ. ૫૦૦૦માં કર્યાં છે, જેમાં અમુક સંસ્થાઓ કેમ્પ કરે તેમાં સંસ્થા ફાળો આપે ત્યારે કઈનું ફી ઓપરેશન થઈ જાય છે. માનવતા કાઉન્ડેશનના ખુશાલ ગડા દરદીદીક રૂ. ૧૭૦૦ ફાળવે છે તેથી દરદીને સહાય મળે છે. તેમાં ગરીબ દરદી તોય તો અમે પોતે ફી કરી આપીએ છીએ.

પ્રેરણા મળી

મોતિયાનાં ઓપરેશન સહાયરે કરવાની પ્રેરણા કેવી રીતે થઈ બે વિષે ડૉ. છેડાને જણાવ્યું કે કોરોના કાળમાં પણ લોકોની આવક બંધ થઈ ગઈ હતી. આવા લોકો મારી પાસે આવતા ત્યારે સહાય કરી આપવા વિનંતી કરતા અને કહેતા કે, બમે સંધ્યે છીએ પણ હમણાં તકલીફ છે. એટલે પોતાં ફોર્મ ભરાવીને સસ્તામાં ઓપરેશન કરી આપતો. પછી ફોર્મ ભરાવવાનું બંધ કર્યું. ત્યારજાતના બેઠ વિના સેવા આપી, જે વધુ સમી છે. એસિયન આર્ટ ઈન્સ્ટિટ્યુટ બોરીવલી ઈસ્ટ અને વેસ્ટમાં દાદર અને નવી મુંબઈ તેમ જ કચ્છમાં બિહારમાં છે. દર મહિને ૨૮ અને ૨૯ તારીખે બિહારમાં સેવા આપું છું.

કચ્છના દરદીને સુખક અનુભવ

કચ્છમાં ડૉ. હિતેશ છેડા પાસે એક વડીલે પોતાના પુત્રની આંખોની તપાસણી કરાવી તો બનર પડી કે, પુત્રને પાડાની તકલીફ છે અને તાત્કાલિક ઓપરેશનની જરૂર છે. બિહાર એસિયન હોસ્પિટલના સંચાલન મંડળમાં સંધ્યેની બલામણથી દરદીને મુંબઈ લાવ્યા. બોરીવલી સ્ટેશને ડૉ. છેડાના માણસ હાજર હતા. તે હોસ્પિટલમાં લઈ આવ્યા. એક રૂમ આરામ માટે આપ્યો, પછી દરદીની આંખની તપાસ થઈ અને ઓપરેશન થયું. બે પછી ડોક્ટર, દર્દી અને તેના પિતાને પોતાના રૂમમાં રહેવાની સગવડ કરી આપી. પછી આંખો તપાસીને ઘરે જવાની રજા આપી. દરદીના પિતાએ બિલનું પુછ્યું તો ડોક્ટરે નમ્રતાથી કહ્યું તમારા દીકરાની આંખ બરાબર થઈ જાય એ જ મારી ફી છે. એ પછી ડૉ. છેડા રેલવે સ્ટેશન સુધી મુકવા આવ્યા. ડૉ. છેડા બિહાર આવ્યા ત્યારે ફરી દરદીની આંખો ચેકઅપ કરાવવા ગયા. તમે ઓપરેશન ફી સ્વીકારવા કહ્યું ત્યારે જવાબમાં ડૉ. હિતેશ છેડાને કહ્યું હું પૈસા કમાવવા દર મહિને વતન નથી આવતો. વતનની સેવા માટે આવું છું. મુંબઈમાં પણ જે કચ્છથી દરદીઓ આવે છે તેમને મારા મહેમાનની જમ સાનું છું.

નિઃશુલ્ક મોતીબિંદુ ઓપરેશન

કવીઓ દષ્ટિ કાઉન્ડેશન દોર ચ બ્લાઈન્ડને એસિયન આર્ટ ઈન્સ્ટિટ્યુટના ડૉ. હિતેશ છેડાના સહયોગથી નિઃશુલ્ક મોતીબિંદુ સર્જરી અભિયાન શરૂ કર્યું છે.

Diwali Celebration with Kaman Ashram Shala

On October 25th, the Rotary Club of Borivli continued its cherished tradition by celebrating Diwali with 650 students at Kaman Ashram Shala. This joyous event provided the children with new shoes tailored to their sizes, ensuring comfort during their daily activities. The evening was filled with festive spirit as the students enjoyed a delicious dinner, followed by traditional Diwali celebrations that included fireworks, creating a vibrant atmosphere.

PP Rtn. Manish Gyani, the District TRF Coordinator and Avenue Chairman was the Chief Guest of the evening. Special appreciation goes to Rtn. Vikram Shah and Rtn. Rakesh Sheth for their efforts in securing a CSR donor to sponsor the refurbishment of three classrooms, transforming them into sleeping and study areas for girls, as well as improving the toilets, staff room, kitchen, and dining area at the Ashram Shala. The total cost of this project is Rs 500,000.

The Rotarians and their families, engaged in lively dancing to the DJ's tunes, fostering a sense of community and joy among the children. The event was marked by a deep emotional connection, bringing smiles and laughter to all participants.

After the festivities, RCB members shared a delightful dinner at Jalaram Kathiawadi restaurant, further strengthening their bonds. With 50 members in attendance, the event was a heartwarming success, exemplifying RC Borivli's commitment to service and community engagement.

A Simple Guide to Decoding

“Best Before”, “Use By” & “Sell By” Dates in Food Packages

Food packages come with labels which mention the “best before” and “use by” dates. However, many of us may not be able to comprehend the import of these dates. It is therefore essential to understand the meaning of these labels - for our own health & safety, besides minimizing food wastage. Understanding the meaning of these labels will help us in making prudent choices while purchasing packaged food items.

Best Before Label :

- It is about the quality of the contents inside the package.
- The product would normally taste nice, and should, in the normal course, have the right texture.
- However, the food contents need to be stored as per the instructions mentioned on the label.

Use-By

- It is about food safety.
- One should not consume the contents after the expiry date is over.
- Don't cook, eat, or freeze the contents after the “use-by date”.
- If kept for a longer period of time, the food contents may smell or look fine, but may have developed bacteria, rendering them unsafe to consume.

Suggestion : It is always safer to opt for home cooked food. However, where necessary, one may have to purchase packaged foods. In such cases, it is always prudent to purchase edibles which are closest to the manufacturing date- in other words, as recent as possible.

Sell By

- Sell by dates are meant for those who sell/ market packaged foods.
- They should not stock or sell food items which are past the “sell by” date.

In conclusion - one should be extremely mindful of the above dates while purchasing packaged food items. Do remember - Our Health is in our Hands.

Dear Friends,

Seasons Greetings and Warm Wishes on the auspicious occasion of Deepawali.

May The Festival of Lights brighten up all our lives, and those associated with our Projects, many times over.

While celebrations are naturally in the order of the day, festivals also afford us an opportunity to pause, think, and introspect- deep diving into our inner selves, as it were . They help us journey within, and, as a consequence, realize the munificence of the Almighty which has enabled us celebrate with gusto and fervor. We realize that our physical and mental wellbeing are, in fact, the result of His Blessings. Such realization prompts gratitude in us, besides giving an impetus to focus on promoting the wellbeing of those less privileged. The more selfless we are in our thoughts and actions, the more we align with Divinity. And that, to my mind ,is what festivals are all about.

On that philosophical note, i once again wish you All, A Very Happy Deepawali and a Prosperous New Year.

May our Projects bring cheer in the lives of those in need.
