Rotary

Rotary Theme 2025-26

## From the Rack of the President

As the new Rotary year 2025-2026 begins, I have an unwarranted feeling of pride, excitement, and gratitude in having the honour of serving you as your President. The soul of Rotary, which is about fellowship and humanity, beats deep within hearts of members and I am humbled at the opportunity to lead this group of committed family members.

This year, is a journey we have encapsulated in a theme that gets to the nucleus of what Rotary stands for: "Unite for Good". Not just a theme or a slogan, "Unite for Good", is a call to action, a commitment to our unified statement of purpose and a vision of the impact we can make together for the greater good.

To "Unite" means to take the incredible talents, passion, and perspective represented within RCD Rohini and make it better. It is about creating a support mechanism for the bonds of friendship, and building a culture of respect, trust, and collaboration. It means that the strengths of every member have more value when they come together as a part of a larger effort. It means we need to extend our hands not only to one another, but to our community partners, clubs and everyone who is interested in making a good effort in creating positive community change.

And what is this 'Good' we are trying to do? It is the joy of a child whose lives we have made better; it is the relief of a community that we have helped; it is the restoration of dignity for people that we have provided assistance to. It is our sustainable solutions for a healthier planet. It is the peace we create, the education we promote, the economic opportunities we help develop. 'Good' is the positive change that can be seen and felt spreading out from each project, each hour of service, and each act of kindness.

This year, we will collectively work as a club to completely ingratiate the phrase 'Unite for Good.' We will plan together, volunteer together, celebrate together, and tackle our challenges together.

I am incredibly optimistic that with your support, creativity, and full engagement, we will continue the legacy of rotary, and improve on it. And together, as one, we can 'Unite for Good' and make a difference in our community in a way that speaks volumes, by showing that anything is possible when people come together with a caring heart and a determined mind.

## President Elect Meet

**"Elected as President for the year 2025-26, my Rotary journey for the new term began on an enthusiastic and vibrant note. The momentum was set right from the start as we engaged in enriching training sessions and seminars such as PEM (President Elect Meet) and PEF (President Elect Fellowship). These platforms not only offered valuable insights but also strengthened our fellowship and prepared us to lead with purpose and vision."**

# President Elect Fellowship

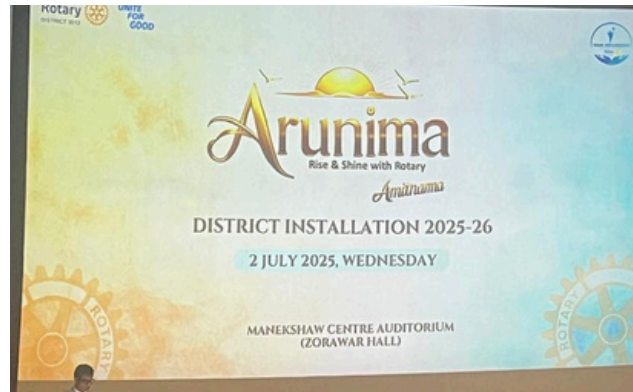

"One of the highlights of our training journey was attending PETS (President Elect Training Seminar) held in the historic city of Agra. It was a vibrant two-day event filled with learning, laughter, and leadership. Traveling together by bus created a wonderful opportunity to bond with fellow club members, making the experience all the more memorable.

Our club proudly represented our zone and showcased our spirit through a lively dance performance on the theme of Women Empowerment. The performance was not only applauded by the audience but also brought us laurels, as we proudly secured the Third Prize. It was a moment of pride and unity for our entire team."

# District Governor Installation

"On 2nd July, we had the honour of attending the installation ceremony of our District Governor, Rtn. Dr. Amita Mohindru, held at the prestigious Manekshaw Centre. It was a grand and meticulously planned event, and we were delighted to be invited to witness this significant occasion. Rtn. Amita Mohindru, with her infectious enthusiasm and inspiring presence, set the tone for the Rotary year ahead. During the ceremony, all incoming Presidents took a powerful pledge to 'Unite for Good', symbolizing our collective dedication to meaningful service. In a special gesture, she gave our team a unique identity by naming us 'Team Influenzer', recognizing our passion and potential to inspire change. We are proud to be part of Zone 1, known as 'The Crusader', under the able leadership of our Assistant Governor, Rtn. Shweta Gupta. The event was not just a celebration, but a call to action energizing us for the impactful journey ahead."

## VISION

As we embark on this new Rotary year, our vision is clear and purposeful:

“To strengthen the spirit of service, deepen community impact, and inspire collective action through fellowship, compassion, and sustainable projects.”

We envision a Rotary Club where every member is an active participant — bringing ideas, energy, and empathy to the forefront. Guided by Rotary's core values, we aim to:

- Expand our reach through meaningful partnerships
- Empower the underserved with sustainable solutions
- Engage youth in leadership and service
- Promote inclusion, integrity, and innovation in everything we do

# DISTRICT PROJECT

"We began the very first day of this new Rotary year on a purposeful note, with the launch of our district's flagship initiative – the Thalassaemia Eradication Project. The project was inaugurated by Ms. Bansuri Swaraj, Hon'ble Member of Parliament, adding great significance to the occasion.

With an ambitious vision to eliminate thalassaemia from the NCR region by the year 2035, this initiative reflects our district's strong commitment to preventive healthcare and community well-being. It marks a powerful and inspiring beginning to our Rotary journey, and we are proud to contribute to and align our efforts with this noble mission."

# CLUB FELLOWSHIP (SEHATHON)

"We began the month on a vibrant and health-focused note as Rotary Club of Delhi Rohini, in collaboration with our dynamic Rotaract Club, successfully organized Sehathon – a Fit Marathon at the beautiful Swarna Jayanti Park on 1st July.

With 27 enthusiastic participants, the event was a great celebration of fitness and community spirit. We are proud to announce the winners of the marathon:

1 Rtn. Sandeep Bindra – Gold Medal

2 Rtn. Bharat Rathi – Silver Medal

3 Our dedicated Rotaract member – Bronze Medal

# CLUB PROJECTS

## SCREENING CAMP

Following this energetic start, we moved forward with compassion by launching NariCare – a Free Screening Camp for Women’s Health. Organized in association with the Tanisa Foundation and the Rotaract Club of BPIT, this initiative focused on raising awareness and providing essential health checkups.

The camp offered a wide range of screenings including Pap smears, mammography, ENT checks, blood pressure, and sugar testing. We are proud to share that 60 women were successfully screened, and 20 underwent mammography — reaffirming our club’s commitment to women's health, care, and empowerment."

## TREE PLANTATION DRIVE

"On 3rd July, we took a meaningful step toward creating a greener and healthier planet by organizing a Tree Plantation Drive at Eklavya Saghanvan, Rohini. In this eco-friendly initiative, 50 medicinal saplings were planted, contributing to both environmental sustainability and community well-being.

This effort was made even more special through the enthusiastic collaboration with the Inner Wheel Club of Delhi Rohini and our spirited Rotaractors, whose energy and dedication added immense value to the cause. Together, we reaffirmed our collective commitment to protecting nature and nurturing a healthier tomorrow."

## SEWING MACHINE

"Next, we carried out a truly meaningful initiative – the Sewing Machine Donation Drive at Sewa Bharati, Jhangola. As part of this project, we donated six sewing machines to empower women with valuable vocational skills and support their journey toward financial independence.

It was deeply moving to see how a simple gesture can bring hope, confidence, and a renewed sense of dignity into someone's life. The gratitude in their eyes made the experience truly unforgettable.

After the project, we spent some quality time together at the peaceful Yamuna Ghat, enjoying nature and bonding as a team – a perfect end to a fulfilling day of service."

**We are excited  
to collaborate  
with fellow  
Rotary Clubs,  
along with  
members from  
Rotaract,  
Interact, and the  
Inner Wheel Club  
(IWC). This  
collective effort  
aims to  
strengthen our  
shared mission,  
expand our  
reach, and  
create a greater  
impact through  
unity and service**

## From the Secretary's Desk...

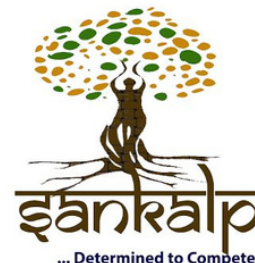

Rotary Club – Charity with Purpose and Passion

The Rotary Club of Delhi Rohini (RCD Rohini) has been a beacon of selfless

service for nearly 35 years. With a deep commitment to community welfare, the

club has served people from all walks of life, especially marginalized and underprivileged communities. Key focus areas include:

- Blood Donation Drives
- Free Medical Checkups & Distribution of Medical Kits/Specs
- Cloth Distribution & Support for the Destitute
- Vocational Training & Skill Development

Each project undertaken by RCD Rohini is driven by the passion and active

participation of its members, ensuring wide outreach and impactful outcomes. The

club is an active participant in District 3012 projects and has earned multiple

accolades and awards for its outstanding service.

Enriching Lives through Engagement

RCD Rohini believes in holistic development—not just for the community, but for

its members as well. The club regularly organizes meaningful and engaging events

including:

- Speaker Sessions on Health, Education, Finance, Legal Awareness, and Contemporary Issues
- Yoga & Wellness Workshops
- Walkathons and Sports Days
- Cultural Celebrations and Picnics
- Social and Networking Meets

These gatherings foster mental, emotional, and physical well-being, reinforcing

the spirit of togetherness and shared purpose among members.

Whether it is touching lives through health initiatives, supporting the environment,

or bringing people together through joyful events, RCD Rohini stands tall in living

the Rotary motto – Service Above Self.
