

Rotary Theme 2025-26

Message from RI President 2025-26

Francesco Arezzo

Rotary Club of Ragusa, Italy

It is with great pride and a profound sense of responsibility that I address you as President of Rotary International for the year 2025-26. With more than three decades of dedicated Rotary service, I have witnessed first-hand the extraordinary ability of our organization to unite people from diverse cultures, professions, and backgrounds in the common pursuit of doing good in the world. This Rotary year, we stand guided by the inspiring theme – "Unite for Good" – a call to come together, strengthen our bonds, and channel our collective energy toward making a meaningful difference in the lives of others. Unity is the foundation of progress, and when we combine our talents, compassion, and determination, there is no challenge too great for Rotary to overcome.

Beyond my professional career as an orthodontist in Italy, my life has been deeply enriched by my active involvement in medical, cultural, and humanitarian initiatives. My Rotary journey has taken me through many roles – from Rotary International Director to Learning Facilitator and Presidential Representative – each experience deepening my conviction that Rotary's true strength lies in the commitment and creativity of its members.

This year, I encourage every Rotarian to:

- Lead with empathy – listening to and understanding the needs of our communities.
- Innovate with courage – embracing fresh ideas and approaches to service.
- Serve with joy – ensuring that our work uplifts both those we help and ourselves.

Together, let us embody the essence of Rotary – people of action, united for a purpose greater than ourselves. By working hand in hand, we can continue to inspire hope, foster peace, and create lasting change in every corner of the world.

With warm regards and best wishes for a year of impactful service,

Francesco Arezzo

President, 2025-26

CLUB PRESIDENT MESSAGE

As the new Rotary year 2025–26 begins, I feel immense pride, gratitude, and excitement in serving you as President. The true soul of Rotary—Fellowship and Humanity—beats within each of us, and I am humbled to lead this dedicated family.

This year, our journey is anchored in the theme “Unite for Good.” More than a slogan, it is a call to action and a shared commitment to create meaningful impact.

To Unite means bringing together the talents, passion, and perspectives of every Rotarian, building bonds of trust, respect, and friendship. Our collective strength grows when we extend hands not only to each other but also to community partners, fellow clubs, and all who wish to create positive change.

And what is this Good? It is the smile of a child whose life we touch, the relief of a community we support, the dignity restored to those in need. It is promoting peace, education, health, sustainability, and economic opportunity. “Service Above Self” comes alive when every project, every act of kindness, spreads ripples of change.

This year, let us remember: Plan Together, Serve Together, Celebrate Together. With your creativity, support, and full engagement, I am confident we will not only carry forward the proud legacy of Rotary but strengthen it. Together, with caring hearts and determined minds, we will truly Unite for Good.
