## PRESIDENT'S MESSAGE

Dear Esteemed Members of the Rotary Club of Delhi Safdarjung.

The “Magic of Rotary” is a wondrous force that transforms our collective enthusiasm into tangible acts of community service. It is this magic that breathes life into our mission, turning aspirations into achievements and dreams into reality. As your newly elected President, I am deeply honored to lead our esteemed club into a new term filled with promise and potential.

Reflecting upon the past year, our club has achieved remarkable milestones that have significantly impacted our community. Our relentless efforts in raising awareness about Thalassemia have borne fruit, culminating in a pivotal Memorandum of Understanding with Thalassemics India. This partnership has not only amplified our outreach but also fortified our commitment to combating this genetic disorder. Our numerous donation camps have been a testament to our unwavering dedication to community development. As we usher in this new term, I extend my heartfelt wishes to all members. May we continue to embody the Rotary motto, “Service Above Self,” with the same fervor and enthusiasm that has defined our past endeavours. Together, we have the power to make a lasting difference.

I am thrilled to announce that we have commenced this year with the installation of a Thalassemia screening machine, a monumental achievement in addressing community health concerns. This milestone underscores our commitment to proactive healthcare and early intervention.

Let us march forward with renewed vigor and an unyielding spirit of service. Together, we shall continue to illuminate the path of benevolence and make an indelible mark on the lives we touch.

Thank you, and may we all have a successful and impactful term ahead.

"If you are working on something that you really care about, you don't have to be pushed. The vision pulls you." -Steve Jobs
