**“A New Era of Service and Fellowship: Embracing Opportunities, Enhancing Impact”**

Dear Fellow Rotarians and Friends,

As I step into the role of President of our esteemed Rotary Club of Sainik Farms, I am filled with a deep sense of responsibility and commitment to the ideals that have shaped Rotary for over a century. It is an honor to follow in the footsteps of so many dedicated leaders, and I pledge to carry forward our club's proud legacy of Service Above Self.

As an entrepreneur, I have always believed in the power of innovation and resilience. Starting with Sheet Metal Industry, then building my CA practice and later venturing into Stock Broking by acquiring the National Stock Exchange Of India Membership. All these were not without challenges, but they taught me the importance of perseverance, adaptability, and a forward-looking mind-set. These experiences have strengthened my resolve to approach our Rotary initiatives with the same entrepreneurial spirit—seeking out creative solutions to complex problems and never backing down in the face of adversity. Our club has a rich legacy of service, fellowship, and leadership, and I am committed to building on this strong foundation.

In the coming year, we will focus on:

1. **Healthcare Camps for the Underprivileged:** Building on our previous successes, we will be organizing free medical camps, focusing on preventive healthcare, vaccination drives, and health education.
2. **Environmental Sustainability Projects:** Recognizing the urgent need to protect our environment, we will be embarking on a series of sustainability projects. These will include tree plantation drives, clean-up campaigns, and awareness programs on waste management and conservation, all aimed at fostering a culture of environmental stewardship in our community.
3. **Support for Education:** Education is a powerful tool for change. We will continue to support schools in rural and semi-urban areas by providing scholarships, learning materials, and infrastructural support.

4. Enhancing Community Service: We will continue to support local initiatives, develop new projects, and Strength android partnerships with organizations that align with our values.
5. Growing Membership and Diversity: We will strive to attract new members, foster an inclusive environment, and ensure that our club reflects the diversity of our community.
6. Leadership Development: We will provide opportunities for members to develop their skills, take on new challenges, and become leaders in our club and beyond.
7. Effective Communication: We will showcase our achievements, share our stories, and keep our members informed through regular updates and engaging newsletters.

My vision is to create a culture of:

- \*Service Above Self\*: Embodying the Rotary motto in everything we do
- \*Fellowship\*: Nurturing meaningful relationships and friendships
- \*Inclusivity\*: Embracing diversity, equity, and inclusion in all aspects of our club
- \*Innovation\*: Encouraging creativity, adaptability, and forward thinking

Looking back, I can say that my early experiences as the President of Rotaract Club of Amritsar laid the foundation for who I am today. The sense of fulfilment that comes from serving others is unparalleled, and it is a lesson I learned early on in Eighties. Those experiences, along with my journey as an entrepreneur, sportsman, and family man, have taught me the importance of empathy, dedication, and teamwork—qualities I am committed to bringing into my role as President of this Rotary Club.

None of these initiatives can succeed without the active participation and support of our members and partners. I call upon each of you to bring your energy, ideas, and resources to the table. Let us work together, in the true spirit of Rotary, to make a tangible difference in the lives of those who need it most.

As your President, I am committed to leading with integrity, compassion, and a relentless drive to serve our community. I look forward to working closely with all of you, and I am confident that together we will achieve great things in the year ahead.

I invite each of you to join me on this journey, sharing your ideas, talents, and passion for service. Together, let us:

- Make a lasting impact in our community
- Strengthen our bonds as a Rotary family
- Inspire others to join our cause

Thank you for your trust and support. I look forward to a remarkable year ahead, filled with purpose, camaraderie, and service.

\_Service Above Self\_

Best Wishes  
Rtn CA Anil Kishore  
President Rotary Club Delhi Sainik Farms

## Message District Executive Secretary

*Sanjeev Jawahar*

Dear President CA Anil Kishore,

It is with immense happiness and joy that I'm forwarding a small Foreword for your Club's (RCD Sainik Farms) newsletter.

I have always been impressed with how a relatively small Club like yours manages to remain relevant and actively participates in almost all the District Events as well as does worthwhile Service Projects for the needy every month. Your Club members have shown the way to our many 'not so large Clubs' of our District how you can channelise your existing resources to obtain maximum results in a relatively short span of time. You all have responded to the call of our respected DG Dr Mahesh Trikha and the District First lady Sujata ji in right earnest! The enthusiasm exhibited by your members is contagious and one feels privileged to attend your Club events.

Needless to add, your leadership from the front, ably supported by the effervescent Club Secretary Daani Guglani, has lent its own spark to the events. My congratulations to each and every member of this esteemed and closely bonded Club for the way in which they have participated over the first 100 days of the current Rotary Year. Here's wishing you carry on with the same spirit, gusto and momentum for the rest of the RY 2024-25!!

Best Regards,
