Message From R.I. President

Stephanie A. Urchick, President 2024-25
Rotary Club of McMurray
Pennsylvania, USA

Dear fellow Rotary leaders:
As we begin a new year of service, let us not forget the importance of every one of Rotary's members.

We need your leadership now more than ever if we are to make every club and district an irresistible experience. Rotary has a chance to capture the world's attention and realize possibilities beyond our expectations. But we must build on the work that has come before us if we are to reach our goals, such as defeating polio and unlocking the power of girls and women.

Rotary offers people of action a chance to connect and find belonging, and this fellowship gives us the potential to improve our communities and the world. By following Rotary's Action Plan and helping make sure all members feel a sense of belonging in their club, you have a special opportunity to inspire members to new heights of service.

Our ability to create lasting change begins with our family of Rotary. Together, it is within our power to bring healing in a divided world.

Join me in making Rotary a source of strength for those who need it most, within and beyond our membership. Let this be the year we harness The Magic of Rotary, and let Rotary be known as an organization that takes care of its members as well as the people we serve.

It is within your power to help make Rotary a beacon of goodwill and fellowship in every community.

Remember that your work can and will change the world with The Magic of Rotary.

Warm regards,
Stephanie A. Urchick

Message From President

Welcome and Gratitude - It is indeed a very great Honor for me to writing as the president of Our Rotary Club and It is my privilege and pleasure to welcome and ABHINANADAN on the occasion of Installation Ceremony of the Rotary Club of Delhi Shahdara – District 3012.

I would like to start by acknowledging efforts and services of our legendries of our club , about its incredible history, about its various community projects as well as it service projects worldwide. I am sure you will agree that where we are today, is indeed the finest achievement by our club.

I will do my best to meet the challenge. Our club has been built on a strong leadership foundation, and I am fortunate to have a membership that is fully committed to the Rotary ideal of Service Above Self, and continues to go the extra mile in building the club,

Our Focus areas on

Working on Retention of members
Membership growth
Increment in PHF recognition among members
Towards Social Commitment

As we continue to make progress may be in the second year or third year of this five-year strategic plan with a Building relationship and creating more leaders out of us.

Our club is widely known for its lively meetings, and the last fellowship meetings cum festive meeting that we held is proof positive that we are a fun-loving club. I shall endeavour to keep the fun and fellowship in our meetings, in our club projects, and our fellowship events.

Our most successful and sustainable projects and activities tend to fall within the following areas. There are many needy people throughout our community and the world whose only hope will come from Rotary. Let us all leave here ready to make their lives better in any way that we can. As Rotarians, it will not be good enough to give

only what we have left over or what we can spare, but we must truly give of ourselves with new vigor in support of the ideals of Rotary. It was our club that was instrumental in raising the funds to make this projects possible.

Now it is time to look into the future and began another season of Rotary in District 3012. Now is the time to aspire for something greater, something that unites us in service to humanity. The world needs us now more than ever.

Rotary is a service organization and part of the engagement and attraction of new members is to have a compelling service initiative that stimulates people to get involved. Over the next year, we will be pursuing a multi-year Global grant service project which will enable hundreds of children to pursue their elementary and secondary education and Health Awareness.

“We are carrying as continued projects named as Signature Project of prevention of cervical cancer (detail description will be shared later part of this newsletter”

I would also like to congratulate each of the new Board members. Our fellow club members have shown their confidence in you and me by electing us to our respective positions, and I look forward to serving with you. I have already seen the energy, enthusiasm, and commitment that you bring to the Board.

Gratitude towards Our Association or project partners of couple of Projects and wherein we are keeping belief in making partners for service projects to make us more strengthen

Lastly, we need to promote what we do. Not only what we do locally but what Rotary does as an international organization. Rotary can change the world as we have shown with our efforts in past.

I'm honoured to be serving as your President and looking forward to an exciting year of Imagination, transformation, growth and Opportunities

Regards.

AWARENESS & PREVENTION FROM CERVICAL CANCER

Key Facts

Globally, cervical cancer is the fourth most common cancer in women, with around 660 000 new cases in 2022. In the same year, about 94% of the 350 000 deaths caused by cervical cancer occurred in low- and middle-income countries.

This reflects major inequities driven by lack of access to national HPV vaccination, cervical screening and treatment services and social and economic determinants.

Prevention

Boosting public awareness, access to information and services are key to prevention and control across the life course.

Being vaccinated at age 9–14 years is a highly effective way to prevent HPV infection, cervical cancer and other HPV-related cancers.

Rotary Club of Delhi Shahdara Initiative

Club initiate Vaccination Drive on awareness and information sessions in 23-24 and Vaccinated 1000 girls to prevent from Cervical Cancer .
