**Empowering Youth at our Rotary Bosch Skill Development Centre****Rotary Bosch Skill Development Centre: Daily updates & Weekly Engagements**

At this Centre, we are committed to fostering the growth and development of young individuals in our community. Every Friday, members from our club visit the Centre to engage with our students through lectures, workshops, and interactive sessions.

These weekly visits focus on enhancing soft skills, such as communication, teamwork, and leadership, which are essential for personal and professional success. Our dedicated members share their expertise and experiences, creating a supportive environment that encourages learning and self-improvement.

This is a passion project which was started by our IPP Rtn. Naveen Chowdhry and is being further shepherded by the President Shalini Chowdhry, and our super talented team at RCGC. Rtn Anjali Mathur Chaddha works closely with the centre for all day to day requirements and shepherding. Experienced members Rtn Ajay Kamath, Rtn Manav Singh Malvai & Rtn Neerja Mahajan, from the HR & coaching fields take on weekly sessions to further develop the soft skills of the batch.

Ms Pallavi Sharma & Ms Prachi are dedicatedly working towards nurturing these children . Much appreciate Mr. Farooq Ahmed , project admin for his guidance .

Stay tuned for more updates, and we look forward to making a positive impact together!
