PRESIDENT MESSAGE

Dear Friends,

I am humbled and honoured to take over the reins of our prestigious club on its reaching adulthood by completing 18 years.

I would like to thank IPP Dr. Madhumati Singh and her team for reaching great heights by giving us all a wonderful and memorable year.

Our club has been working on all avenues of service and will continue to do so.

We would like to maintain the continuity of ongoing projects and focus on sustainable projects in which environmental, societal, and economic considerations are balanced, and upgrading of technology for education in schools which help children over the long term. We will continue with sustainable projects which we have done for a couple of years be it RCC project in Gesupur, Skill Development Centre, Literacy, Health, blood donation camps, and other projects.

During July we carried out a Tree plantation, donated an ambulance, took part in a Haemoglobin check-up camp by providing a Mammography van, and carried out a Mega painting competition in five schools.

Our Club's installation was very well attended by the District Governor, past PDGs, dignitaries from District, guests, members, and families.

We would endeavour to "Create Hope in the World" by working for peace and mental well-being.

All members of our club are dedicated lot who share a passion for both community service and friendship. We would all work to make it a memorable year of service, fun, and frolic.

Jai Hind

Rtn. Cdr. C.P. Sharma
