GLIMPSES

From the President's Desk

One Family, One Dream

My Dear Rotary Family,

In this Rotary year, I am delighted to share with you our new slogan – **"One Family, One Dream."**

Purpose of the Slogan

This slogan reminds us that while we all come from different families, **our dream is the same – to serve and to create meaningful change in society.**

Just like in a family where everyone contributes in their own unique way, here too, each Rotary family is encouraged to contribute in their own way.

How Members Can Participate

Under this initiative, we request **every Rotary family to take up at least one project during the year.**

- ☞ The project can be small or big – it doesn't matter.
- ☞ It can be done by one member, two members, or even as a group of ten.
- ☞ The budget can be small or large – that is not important.

What matters most is that **every family participates at least once in the year.**

Flexibility in Projects

Every project can be **self-chosen and self-generated** by the member or family. For example:

- ☐ If you are an **animal lover** – you can do a project for animal welfare.
- ☐ If you wish to **serve food in a Gurudwara or Temple** – that can be your project.
- ☐ If you want to **support a needy student** – you may sponsor a scholarship.
- ☐ If you want to **help a patient medically** – with medicines or treatment – that too is a project.

Apart from this, projects can also include:

- Distributing notebooks
- Organizing a health camp
- Donating AI spectacles for the blind
- Sponsoring scholarships
- Actively participating in the Anganwadi our club will soon adopt
- Sponsoring a few cervical vaccines

Special Note: "Donating AI Spectacles" is our **District Project for this year, under the slogan PROJECT DRISHTI.**

- Cost of one AI Spectacle is **₹12,500/-**
- **We are pleased to share that we have got the confirmation of sponsoring 8 AI Spectacles.**
- Our **target is to donate 32 AI Spectacles** for the district. Members are warmly invited to participate in this project as well.

"Alternatively, if any member wishes to contribute by donating money, he/she may transfer the amount to the Club's account. These contributions will be pooled together and utilized for collective projects of the Club."

Remember – a project can be done **on a happy occasion, in memory of a loved one, or inspired by your personal values.**

The size or amount doesn't matter – **what matters is your participation.**

Acknowledgement

We are proud to share that some Rotary Families have already embraced this slogan and completed their projects:

1. **PP Rtn. Parmod Bhagat & family** – sponsored plants for our Tree Plantation Drive
2. **IPP Rtn. Dr. Gaurav Dembla & family** – sponsoring Diabetic Checkup Camps, twice every month (First & Last Monday)
3. **PP Rtn. Rajkumar Sardana & family** – sponsored stationery, sports items, and decoration for our Independence Day Meeting
4. **Rtn. Ajay Relan & family** – generously sponsored the brunch at our Independence Day Meeting
5. **PP Rtn. Rajeev Garg & family** – sponsored refreshments and scholarships for underprivileged children, in loving memory of their father.
6. **President Rtn. Rajat Doda & family** – sponsored food packets for underprivileged children.

Heartfelt thanks and congratulations to all these families – they have set an inspiring example for us all.

We are also pleased to share that a few more members have already confirmed their participation and booked their dates for upcoming projects. This truly reflects the spirit of **One Family, One Dream!**

Appeal

Dear Members, we warmly invite you to come forward and share your interest in the project you wish to participate in.

You may inform the **President** or the **Secretary** about your chosen project. Or, you may also **book a suitable date in the upcoming months**, as per your convenience and thoughts.

So friends, let us all commit ourselves to One Family, One Dream.

If every family participates at least once during the year, the **Rotary Club of Sonapat will create a remarkable impact in society** and truly live the spirit of Rotary.

Thank you – and let us together make this dream a reality.

Chat with RI President Francesco Arezzo

Q: You've worked as an orthodontist for many years. Are there things about your job that make you an effective Rotarian?

A: I've been a practicing orthodontist for 46 years now. I work mainly with young people, and it's very important to try to understand them before beginning treatment. You have to win their cooperation. Forging those relationships is one of the best aspects of my job.

Q: And you now have grandchildren of your own, right?

A: I have two wonderful grandchildren. The elder one, who's three years old, has my name: Francesco. The younger is one year old, and she has my partner's name. So we have another Anna Maria and another Francesco.

Q: You've been a Rotarian for more than three decades. Do you remember why you first wanted to join?

A: At the beginning, Rotary was just a place to meet new friends with different points of view. It wasn't until I became club president that I began to really understand Rotary. Now, when I speak to Rotarians, I tell them to change the verbs they use. You don't "go to" Rotary like you go to the cinema, where you sit and watch other people doing something. Rotary is something you do. You have to participate. And then you begin to grow.

Q: How have you grown in Rotary?

A: When my club first proposed that I become president, I didn't want to accept. I had a stutter, so I was terrified of being obliged to address my club. But it wasn't so bad. Then they invited me to be a district governor, and again, I didn't want to accept. But once more, they convinced me. Now, when I think about the fact that I'm going to be the Rotary International president and speak onstage in another language, I understand how much Rotary has changed me in a positive and lasting way.

Q: How can Rotary convey a sense of this impact to members and potential members?

A: We have to improve our communications with club presidents, because they're on the front lines of dealing with members. While we do a wonderful job of instructing district governors in the importance of membership and new clubs, the district governor → contd.

often speaks with a club president only two or three times a year. There are too many club presidents who don't have any idea why our membership goals are so important.

Q: What challenges do you anticipate you'll face during your term as president?

A: I'm very conscious that I'm beginning very late. Even if I begin studying problems and setting goals now, I can't do very much. Rotary isn't a scooter that can change direction quickly. It's like a big cruise ship: If you want to make a turn, you have to begin many kilometers in advance. I hope to work very closely with President-elect SangKoo Yun. I think SangKoo and I can create a two-year plan that will be really effective.

Q: What has been one of your most memorable moments in all your years in Rotary?

A: One moment that was very, very moving for me was when, as district governor, I organized a Rotary Youth Leadership Awards event for districts bordering the Mediterranean Sea: Italy, France, Spain, North Africa, Greece, Turkey. The problem was putting together Turkish and Italian young people, because they looked at one another as very different. The first day was tense; it was clear that they didn't like each other. But after a few days, they began to discover that they had the same tastes and the same dreams.

When the last day came, they sang John Lennon's "Imagine" together and performed a skit they'd written about the cultural differences between their countries. It was one of the most beautiful things I can remember.

Q: In your professional life, you've led trade organizations for dentists and for olive oil producers. What group is most difficult to unite in a consensus: Dentists, olive oil producers, or perhaps Rotary members?

A: From my experience, it's the olive oil producers. Each producer of olive oil is strongly convinced that his olive oil is the best in the world. So they usually don't want to cooperate sincerely with others.

Q: How long have you been producing olive oil?

A: My family has produced olive oil for more than a century now. I am the last, I fear, because my daughters are not interested in this field.

Q: I understand you love opera also. What's your favorite opera or composer?

A: A composer I like a lot is Vincenzo Bellini. He was born in Sicily, and he died very, very young. He did only a few operas, but they are all of a very high quality. And of course, there are many other great composers — Puccini, Verdi, Mozart. It's hard to pick one.

"Ganesh Chaturthi | A Festival of Service and Unity with Rotary"

Ganesh Chaturthi is not just a celebration of Lord Ganesha's arrival, but also a time to reflect on wisdom, kindness, and unity. This year, Rotary Club turned devotion into action under the theme "Unite for Good."

From organizing eco-friendly idol-making workshops to promoting clean visarjan practices, Rotarians encouraged everyone to celebrate with responsibility. Children were taught not only the story of Lord Ganesha but also how to protect the environment — just like Ganesha removes obstacles, we too must remove pollution and ignorance.

As Modaks were shared, so were moments of joy in old age homes and slums. Through acts of kindness, Rotary proved that when we unite for good, even festivals become a force for change.
