**From the Desk of President
Rtn. Rajeev Taneja**

The beginning of the Rotary year is full of both challenges and opportunities. It is an exciting time when new energy, ideas & connections are brought into our team and when we thank those who have led our

club with such enthusiasm over the past year.

Because of leadership changes every year in Rotary, one of our challenges is continuity. To ensure we achieve our long term goals – this means not just doing those things we have always done but ensuring the new initiatives, ideas & aspirations of our club. Many initiatives take much longer than one year and one leadership team to achieve, whether it is re-energizing our club, increasing membership or developing a new community project.

The Rotary Foundation

By giving to The Rotary Foundation, you enable us to tackle ongoing problems and emerging issues. Your donations help provide clean water, treat diseases, grow local economies, protect the environment, and more.

Make a contribution today !

**From the Desk of Secretary
Rtn. Adv. Kamal Verma**

Dear Rotary member,

For most of us in Rotary, what matters most is our personal club experience. When I joined Rotary, my club made me feel like I belonged. I couldn't wait for the next meeting, and I found a new purpose in the service projects we completed together. To me, this sense of meaning and belonging defines Rotary. As Secretary, I feel a special commitment to help every member in every Rotary and Rotaract club feel like an essential part of our family.

I'm writing today to thank you for being a member and making Rotary part of your life. And I want to share a tool that can further enhance your experience with Rotary — our Action Plan.

The Action Plan challenges us to find ways to increase the impact of Rotary service, expand our reach by bringing more people together to share our vision, adapt to a rapidly changing world, and enhance the experience that you and your fellow club members have in tangible, meaningful ways.

The Magic of Rotary can have its greatest impact when Rotary members and community leaders come together to solve problems and transform lives. That magic starts with you, and now is the time to put it into action.

You have the power to bring about positive change, both in your club and in your community. When we move into the future united in a common purpose, there's no limit to what we can achieve.

Arch Klumph – “Father” of The Rotary Foundation

**We must not live for ourselves alone,
but for the joy in doing good to others**

“ROTARY is more than an organization, it's a family. This year, I hope we show our communities the Magic of Rotary. Together, we will grow and strengthen our membership and deepen our commitment to peacebuilding. I hope this year is one of joy, growth, and connection.

FROM THE DESK OF EDITOR

Dear Rotary Family,

As we embark on this new Rotary year, let us embrace "The Magic of Rotary" with enthusiasm and determination. Rotary has always been a beacon of hope, a force for good, and a catalyst for positive change in our communities and beyond.

Just like magic, Rotary brings people together from diverse backgrounds, uniting us in service and fellowship. It empowers us to make a difference, transforming lives and creating lasting impact through our projects and initiatives.

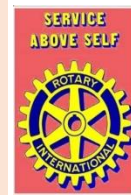

Let us remember that the real magic of Rotary lies not only in our actions but also in our values of service, integrity, diversity, and leadership. It is the magic of compassion that drives us to reach out to those in need, the magic of collaboration that amplifies our efforts, and the magic of perseverance that allows us to overcome challenges.

As we celebrate the beginning of this new Rotary year, let us renew our commitment to Service Above Self and unleash the magic within each one of us. Together, let's create moments of joy, inspire change, and leave a legacy that will continue to shine brightly for years to come.

Here's to a magical Rotary year ahead!

Yours in Rotary ,

The Magic of Rotary

Every club is different. There's not a cookbook that we can give to clubs and say, "Do this and you're going to be fine." **Every club develops its own culture. Country to country, Rotary is done differently.** You can have Rotary clubs in the same district that are very different. We need every club to take a moment, do an assessment, and look at the four priorities of the Action Plan. Then they must ask themselves, Is there something we can do a little differently, or are we already doing the best we can in this or that category? If you're already irresistible, then stay that way. But we have to attract people to our existing clubs, and we have to start new clubs. That's the way to grow Rotary and to have a future.

It's simply The Magic of Rotary. People can put any verb they want in front of it. **Believe in the magic of Rotary. Spread the magic of Rotary. Build on the magic of Rotary. Celebrate the magic of Rotary. There are all kinds of words that we can use.**

Maternal and Child Health

One of Rotary’s Seven Areas of Focus is Maternal and Child Health. This month is dedicated to bring awareness to this wonderful cause.

"PEOPLE OF ACTION"

"People of Action" is a slogan used by Rotary International to describe its members. It reflects the organization's emphasis on taking action to make a positive impact in the world.

Rotary members are indeed "People of Action" because:

- They take action to address local and global challenges
- Volunteer their time and skills to make a difference
- Collaborate with others to achieve common goals
- Invest in projects and programs that benefit communities
- Inspire and empower others to take action

By being "People of Action", Rotary members demonstrate their commitment to service, leadership, and positive change.

Better support for Interact Club Presidents

Interact Club Presidents can now choose to share their names and email addresses with RI to receive information and support directly from Rotary International.

Rotary Lapel Pins Update

Starting in November, all Rotary member pins sold by licensed vendors will feature current Rotary branding. Members can still wear the old "Legacy Emblem" logo pins, but won't be able to buy them. The Legacy Emblem's retirement is an ideal opportunity for clubs and districts to review their logos and promotional materials to ensure the correct logo and logo lockups are being used.

कागजात तो ठीक है, लेकिन
