AN IDEAL LEADER

A leader must possess enthusiasm, dynamism, dedication and have a lofty vision. A leader must be a motivator, must listen with a cool and collected mind before taking any action. Leaders possess numerous powers, but this should not make them adamant and flexible. They should have the humility to listen and accept other opinions whenever appropriate. A good chief can handle both substantial as well as insignificant issues, the obvious and the hidden ones. Leader must be above prejudices. Leaders must remain in control of the ego and make use of it, without letting it rule their decisions. Honesty in thoughts, words and deeds is possible only when the mind co-operates with our intellectual decisions.

Our President Rtn KV Ramana, with all the good qualities in his possession, his meritorious service in Indian Army, compassion to serve the community and commitment to Rotary values will certainly taste the sweetness of success while leading the Club to greater heights with magical effect !

Our good wishes to the President and his team for a glorious year ahead!

Installation of Rtn. K.V. Ramana as President and Rtn. Kailash Agarwal as Secretary by Dr. M. Venkateswara Rao District Governor on 13th July

From the President's Desk

I'm delighted to share with you my Rotary journey as a Rotarian. It's a great honour for me to serve as the 29th Presi-

dent of this vibrant club, Rotary Club Visakha Port City! The task ahead is massive but with an energized, fully equipped board and motivated members, I'm sure, we will have a successful Rotary Year 2024-25.

I sincerely thank all the fellow Rotarians for trusting and giving me this opportunity to serve the club. My Rotary journey started in the year 2020, not as one looking to serve, but as one aspiring to grow my career. But I learnt and inspired that service and

professional or business development go hand-in-hand in Rotary.

I have served as Surgeant-at-Arms and Treasurer. I assure, as a team, we will keep up the expectations of our club as well as the Rotary District 3020.

Our focus this year is on building bondage, fellowship and friendship beside good service projects. I value your advice, support, guidance and co-operation in this direction.

Your's in Rotary
Rtn. K.V. Ramana
President.
