August - Membership Month

"Everything we do start with a Rotarian; membership is the lifeblood of Rotary."

Since good clubs begin with strong membership, Rotary urges its leaders to take a moment to think, consider, and take action every August. More than just a day on the calendar, this month serves as a call to action for all Rotarians to increase Rotary's influence, diversity, and strength. The Significance of Membership Development Rotary's impact and relevance wane in the absence of active and expanding membership. Our legacy, impact, and projects rely on having dedicated people who provide new networks, energy, and abilities. Extension guarantees that Rotary reaches untapped populations and sectors by introducing new clubs or formats.

Leadership Starts with You. We set the tone in our roles as professional and Rotary leaders.

As a shared leadership responsibility, membership development is not solely the responsibility of the club president. Stand out. Be warm and inviting. Discuss Rotary with others in your neighborhood, at work, and in your social groups. Additionally, retention requires mentorship, leadership, the creation of meaningful roles for members, and the promotion of belonging.

Effective Action Plan

1. Establish membership objectives for your club and evaluate them every month.
2. Establish a Membership Committee with goals, deadlines, and results.
3. Perform a club health check to find out what keeps members interested and why they quit.
4. Organize monthly "Discover Rotary" events for potential members.
5. Involve spouses, alumni, and Rotaractors; they already share our beliefs.

Rotary provides unparalleled benefits, including lifelong friendships, leadership training, chances for public speaking, global exposure, and most importantly, the satisfaction of changing the world. Rotary is your platform, regardless of your goals: community influence, career networking, or personal development.

Let August be a month of vitality, involvement, and growth. Grow Rotary, Come

Together for Good!

31st August, Rajamahendravaram

Strong routine immunization systems everywhere are critical to stopping transmission of polio, sustaining eradication, and eliminating and better controlling other vaccine-preventable diseases.

Editor's Desk

Dear Friends in Service and Rotary Leaders, Presenting to you the August issue of The Wheel, our Club's monthly newsletter, with great pride and a strong sense of duty. Our leader, Rtn. Vijay Agarwal, and his team started the year with a lot of planning and excitement last month, as seen by the month's activities.

At this point, I would like your recommendations on how to make "The Wheel" more vibrant and engaging. I'm looking for worthwhile and readable articles, tests, jokes, and facts from you, your Ann, and Annets.

Let's take our Club to the skies together. Let's write our tale.

In Rotary Service and with best wishes" - TLNM

President's Voice

Dear Rotarian Friends Rotary Greetings,

Let me start by expressing my gratitude for your trust in me to be the Club President. I also want to thank everyone who came and helped make the installation ceremony a huge success and a vibrant event.

I promise to maintain the Club's excellent standards and to secure and solidify its position in the District.

I also promise that, with the cooperation and coordination of the members, I will carry on the tradition that our previous presidents left behind. Our younger Rotarian friends, who are more vivacious and eager, are our strength and will help our club grow.

In order to continue this Rotary year, I would appreciate your help and insightful recommendations. What I need is for you to be physically there, participate in all club events, and become aware of the wonderful service that Rotary provides.
