(An update for You of Activities in RCMNP)

Hi Friends and Fellow RCMNPians,

Welcome to another edition of the Direct... Dil Se... Update for **November' 2024**.

Super excited to share the happenings of November, as the Mausam is changing, the festive fervor is only rising.

Highlight for the month of November, was our Grand Charity Fund Raiser, Shaan Se...

Super super success and extremely electrifying and entertaining event it was, Tata Theatre, NCPA. Shaan was super rocking and ruled the evening. This 2 hour show in hind sight had a lot of hard work and efforts by many RCMNP Family Members, Anns and IWC Members. While more than half the club was involved in some way or the other, I would like to acknowledge the efforts and contributions of Rtn. Rajiv Agarwal, Rtn. Aashish Chitlangia, Rtn. Yogesh Malhotra, Rtn. Shailesh Jalan, Rtn. Rajesh Choudhary, Rtn. Ashish Jalan, Rtn. Devang Kanakia, Rtn. Hemang Bhatt, Rtn. Suraj Saraogi, Rtn. Rammohan, Rtn. Sachin Bhartiya, Rtn. Naresh Gupta, Rtn. Devang Mehta and many others (my sincere apologies in case I am missing to specifically recognize anyone else). This event is truly a proof of results of dedicated and joint efforts and the photos and videos being shared are also a testament to what I have mentioned. We are still reconciling the total collection and disbursements and will shortly share the result on that count too.

On Sunday, 17.11.2024, we hosted the Rotaract District Event, The Millennial Summit at Y B Chavan Auditorium, Mantralaya. Rtn. Mandar, Rtn. Naresh & Rtn. Kamlesh attended on our behalf. We had DG Chetan as Chief Guest of the Event. It was a resounding success and well appreciated by the Rotaractors.

On 29.11.2024, through the District, we have successfully conducted testing for Anemia, Thalassemia for 200 kids. Total project cost of the same is Rs.32,000/-

We have in principal decided to proceed with the Computer Distribution sought by Shed. Last they were provided with second hand computers 6 years back and hence the urgent need for replacements. Project cost is estimated to be around Rs.3 - Rs.3.20 lakhs.

We have our Christmas Party on Friday, 20.12.2024, at Lord of the Drinks, Worli (Ikea Building, Kamla Mills). Requesting all those who still haven't to please poll in for your availability so we can better plan the evening.

We have booked Birla Matushri Sabagraha, for our signature Senior Citizen Talent Show, Umang for Saturday, 11.01.2025, 3pm-6pm. DG Chetan has accepted to grace the occasion as Chief Guest.

Friends, seeking your complete and full support for this event. RCMNP was always known for its Annual Fund Raiser. Let this occasion and event be a talking one for our Club as also generating over expected surplus for us to execute many more Charitable Projects. All this is going to be possible only if we all come together to ensure its execution and success.

We have our **regular meetings on 04.12.2024, & 11.12.2024** - Agenda for the same will shortly follow. Kindly block your dates for the same.

11.12.2024 is our Annual General Meeting please note where the accounts for the past year will be presented by IPP Rtn. Deepak as also the BoD for the incoming year will be placed before the Members by PE Rtn. Hemang.

Friends, we thank you'll for your continued support and enthusiasm shown so far and seek the same spirit and support for the way forward.
