Hi Friends and Fellow RCMNPians,

Welcome to another edition of the **Direct... Dil Se...** Update for **December' 2024**.

2024 would have ended and 2025 commenced when this communication reaches you. The new year is a moment of introspection of the year gone by, improvising where we have to, having learnt a lesson or more, basking in the glory of achievements of the past year and planning the goals for 2025.

December'2024 was kind of a silent month for RCMNP with most veterans basking in the glory of the super successful Fund Raiser and some still chasing donors for committed funds.

On 11.12.2024, we had our AGM wherein the accounts for the past year were tabled and adopted. Moreover, PE Rtn. Hemang Bhatt announced his BoD for the RY2526:
