On 25.08.2024, there was a Medical Camp conducted at Gully Clinic for the locals there. Over 70 persons availed of the tests that were being conducted. Idea for the same was also to create awareness of the Gully Clinic and its activities and there has been immediate and considerable increase in the patients visiting now after the camp.

We have supported the cause for Honouring the ex Jawans and Veer Naris' of the 109 Maratha Light Infantry Battalion celebrating their Platinum Jubilee this year for a sum of Rs.1,00,000/- with support from Rtn. Hemang Bhatt.

We have received a lot of proposals and all of them are under consideration. Some of them that have since been positively considered and their present status are being mentioned hereunder:

Conducting pediatric heart surgeries at SRCC, minimum contribution of Rs.10,00,000/- to be matched by JSW Foundation and then through the PM/CM Scheme, getting surgeries done of worth upto Rs.40,00,000/- - This initiative has been taken up for financial closure by our own **Aarav Vivek Khetan**, its such an amazing feeling when the Kiddos are also pulling up their sleeves and jumping in the pit to make their mark... All the very best to Aarav Vivek Khetan and anyone wanting to support him may kindly connect with Vivek, Him or Me directly.

We have received a proposal for providing 100 raincoats to the Mumbai Police through Rtann. Satyavati Yadav. Total Project cost is Rs.23,000/-. We have agreed to support this initiative @ 50% with Rotary Club of Mumbai Lower Parel bearing the other 50%. Our Club Logo will be printed on 50 raincoats being given for this Project.
