ABOUT RID 3142

#RCHE SAMPARK

The July Edition 2024-25

Rotary District 3142: A Legacy of Service

Founded in 2016, Rotary District 3142 boasts a vibrant network of over 4,000+ Rotarians across 114 clubs.

Their dedication to service is evident in the staggering number of projects undertaken: 11,583 projects valued at over ₹1,14,19,50,387 (INR) since their inception.

Building on a Strong Foundation:

Each year, under the leadership of a dedicated District Governor, the district has achieved remarkable success. From "Numero Uno" in their first year to "Excellent" in 2023-24, the commitment to service has remained constant

A Holistic Vision:

Rotary District 3142 focuses on various areas to create a better future:

- **Youth Service:** Empowering young minds with over ₹47 crore invested.
- **Education & Literacy:** Prioritizing basic education with over ₹13 crore invested.
- **Maternal & Child Health:** Ensuring a healthy start for future generations with over ₹3 crore invested.
- **Disease Prevention & Treatment:** Promoting community well-being with over ₹4 crore invested.
- **Peacebuilding:** Investing in harmony and understanding with nearly ₹2 crore invested.
- **Community & Economic Development:** Building a brighter future for communities with over ₹4 crore invested.
- **Environment:** Safeguarding the planet with over ₹2 crore invested.

3142, started small, but dreamed big. The first year, under Dr. Chandrashekhar Kolvekar's leadership, was a "Numero Uno" for the history books.

Each year since has been a chance to shine even brighter. B.M. Sivarraj's "Star" year, Dr. Ashes Ganguly's "Perfect" year – they all built on the foundation laid before.

Dr. Mohan Chandavarkar brought "Smart" thinking in 2019-20, and Dr. Sandeep Kadam's "Josh" in 2020-21 was truly inspiring.

We have seen Dr. Mayuresh Warke's emphasis on "Smile" in 2021-22, Kailash Jethani's focus on building "FAB" (Fabulous) qualities in 2022-23 and Milind Kulkarni maintaining the high standards with an "Excellent" grade in 2023-24.

The future looks bright with Dinesh Mehta promising "Awesome Magic" in 2024-25 and Harsh Makol preparing for another remarkable year in 2025-26.

This ensures a continuous legacy of service that Dr. Nilesh Jaywant will inherit, carrying the torch forward in 2026-27, for countless moments dedicated to a cause greater than oneself.

Beyond Leadership:

Rotary Alumni clubs also play a significant role, contributing their expertise to various projects. Additionally, there's a dedicated focus on Peace and Fellowship initiatives.

Looking Ahead:

With strong leadership and a commitment to service, Rotary District 3142 is poised to continue its remarkable journey of making a real difference in the lives of others.

"Rotary isn't just a club for us; it's woven into the fabric of our family," First Gentleman shared passionately, "As a family, we have always believed in giving back to the community. Arunima's, Joining RCHE has amplified our commitment. From the moment we stepped in, we were embraced with open arms. Every project, every fellowship event has been a family affair. Our kids have always been as enthusiastic about volunteering as we are, and it's heartwarming to see them develop a sense of responsibility towards society. We are not just members of RCHE, we are a family invested in its mission." - Amitabh Singh

THE FOUR-WAY TEST

Of the things we think, say, or do:

1. Is it the truth?
2. Is it fair to all concerned?
3. Will it build goodwill and better friendships?
4. Will it be beneficial to all concerned?

THE OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

First The development of acquaintance as an opportunity for service;

Second High ethical standards in business and professions, the recognition of the worthiness of all useful occupations, and the dignifying of each Rotarian's occupation as an opportunity to serve society;

Third The application of the ideal of service in each Rotarian's personal, business, and community life;

Fourth The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.
