Rotary District 3142: A Legacy of Service

Founded in 2016, Rotary District 3142 boasts a vibrant network of over 4,000+ Rotarians across 114 clubs.

Their dedication to service is evident in the staggering number of projects undertaken: 11,583 projects valued at over ₹1,14,19,50,387 (INR) since their inception.

Building on a Strong Foundation:

Each year, under the leadership of a dedicated District Governor, the district has achieved remarkable success. From "Numero Uno" in their first year to "Excellent" in 2023-24, the commitment to service has remained constant

A Holistic Vision:

Rotary District 3142 focuses on various areas to create a better future:

- **Youth Service:** Empowering young minds with over ₹47 crore invested.
- **Education & Literacy:** Prioritizing basic education with over ₹13 crore invested.
- **Maternal & Child Health:** Ensuring a healthy start for future generations with over ₹3 crore invested.
- **Disease Prevention & Treatment:** Promoting community well-being with over ₹4 crore invested.
- **Peacebuilding:** Investing in harmony and understanding with nearly ₹2 crore invested.

3142, started small, but dreamed big. the first year, under Dr. Chandrashekhar Kolvekar's leadership, was a "Numero Uno" for the history books.

Each year since has been a chance to shine even brighter. B.M. Sivarraj's "Star" year, Dr. Ashes Ganguly's "Perfect" year – they all built on the foundation laid before.

Dr. Mohan Chandavarkar brought "Smart" thinking in 2019-20, and Dr. Sandeep Kadam's "Josh" in 2020-21 was truly inspiring.

We have seen Dr. Mayuresh Warke's emphasis on "Smile" in 2021-22, Kailash Jethani's focus on building "FAB" (Fabulous) qualities in 2022-23 and Milind Kulkarni maintaining the high standards with an "Excellent" grade in 2023-24.

The future looks bright with Dinesh Mehta promising "Awesome Magic" in 2024-25 and Harsh Makol preparing for another remarkable year in 2025-26.

This ensures a continuous legacy of service that Dr. Nilesh Jaywant will inherit, carrying the torch forward in 2026-27, for countless moments dedicated to a cause greater than oneself.

Beyond Leadership:

Rotary Alumni clubs also play a significant role, contributing their expertise to various projects. Additionally, there's a dedicated focus on Peace and Fellowship initiatives.

Looking Ahead:

With strong leadership and a commitment to service, Rotary District 3142 is poised to continue its remarkable journey of making a real difference in the lives of others.

Fall's Enchantment and the Enduring Spirit of Rotary

John Donne, a famous poet (not a Scorpio, sorry!), once said:

"No spring nor summer's beauty hath such grace, As I have seen in one Autumnal face."

Maybe he was channelling the wisdom of a Scorpio (October 23rd - November 21st) or a Sagittarius (November 22nd onwards).

Speaking of birthstones, Scorpions and Sagittarians are lucky ducks! They get not one, but two beautiful gems: topaz and Citrine. Topaz, with its range of colours from yellow to purple, represents love and affection. It's also said to bring strength and intellect – perfect for navigating life's challenges. Citrine, the "healing quartz," brings vitality, hope, and warmth – all great things to have in the cooler autumn months.

Speaking of warmth, fall is the time for chrysanthemums to bloom! These vibrant flowers change meaning depending on their color. Red screams "I love you," while white symbolizes innocence and pure love. Perfect for a romantic autumn stroll, wouldn't you say?

But wait, there's more! Fall is also the time to celebrate trees like the walnut, chestnut, and ash.

Strength and Stability: The November Trees, remind us of the importance of having deep roots and a foundation.

Speaking of foundations, did you know November is Rotary Foundation Month:

A Time for Giving Back? The Rotary Foundation, with its stellar ratings from Charity Navigator and CharityWatch, supports amazing work by Rotarians around the world. Their motto, "Service Above Self," perfectly embodies the spirit of giving back during this season of thanks.

So, Embrace Fall, Celebrate Service! this fall, hem in the beauty of the season, celebrate love in all its forms, and consider supporting a worthy cause like the Rotary Foundation.

After all, as John Donne might say,

"Love itself is a greater foundation of morality than any scripture which defines it."
(Okay, maybe he didn't actually say that, but it sounds pretty good, right?)

The NOVEMBER Edition 2024-25

Dear #RCHE Rotarians,

Following our exceptional October achievements, I'm pleased to highlight our collective impact. We exceeded fundraising targets at the TRF Seminar and witnessed inspiring service initiatives like the Annapurna project and Navi Mumbai's All Day Dinner program.

Our commitment to community well-being manifested through the administration of 1,000 cervical vaccines, ongoing support for the Mobile Pathology Unit, and vibrant Dussehra celebrations. Professional development advanced with the RPL of IFCR inauguration and our inaugural Mental Health Seminar. Our recent district elections further solidified our leadership foundation.

As we transition to Rotary Foundation Month, I'd like to emphasize the Foundation's stellar reputation, consistently earning top ratings from Charity Navigator and CharityWatch. This reflects our unwavering dedication to responsible philanthropy.

The true power of our Foundation lies in collective action—your contribution, regardless of size, combines with others worldwide to provide clean water, combat polio, and promote peace globally.

I encourage you to contribute this November by visiting rotary.org/donate. Every donation fuels our transformative work.

Together, through generous giving, we can create lasting impact across borders.

November Vibes! Open Your Heart!

In service, Your **District Governor Dinesh Mehta (RY 24-25 | RID 3142)**

Dear Fellow Rotarians of #RCHE,

As we transition from a banner October to Rotary Foundation Month, I'm pleased to reflect on our club's remarkable achievements. Your dedication has propelled us beyond our goals, demonstrating our community's extraordinary spirit of service.

I'm particularly proud of two recent initiatives that exemplify our commitment to service above self. On November 30th, our club joined forces with Rotary Club of Thane Downtown and BNI for a successful blood donation drive, collecting approximately 50 blood bags with the potential to save up to 150 lives. That same day, we welcomed 35 new beneficiaries into our Rotary family, strengthening our capacity to serve.

Earlier, on November 15th, we hosted over 240 Rotarians at Lagoona Resort in Lonavala for our Pre-President Elect Leadership Seminar.

This intensive two-day retreat equipped incoming presidents with essential skills for their upcoming terms under the theme

"Transformative Leadership for Community Impact."

OUR PRESIDENTIAL PANTHEON

From humble beginnings to towering heights, Twenty-three torchbearers illumined our way. Through seasons of challenge and moments of triumph, Their wisdom continues to guide us today.

First came Sankar Mohan K C, our Charter President, Who planted the seedling with visionary care. Then Kumar Bhatia nurtured its tender roots, While Suraj Mathur helped its branches prepare.

Sudeep Basu and Pradeep Thakur strengthened our trunk, As Pradeep Nair extended our reach. C S Shetty and Dr. C M Dwivedi followed with grace, New horizons of service, each helping to breach.

Krishna Saraf and Shantanu Halder raised our banner high, M H Narasimhan championed our cause with pride. Madhu Menon and Devendra Tomar broadened our impact, As Prakash Baride stood steadfastly at their side.

Dharm Prakash Tripathi forged paths untrodden, Dr. Roopali Deshpande with compassion led the way. Baljinder S Kumar and Sandhya Shastri fostered growth, While Dr. Namrataa Srivastav brought innovation into play.

Ravi Shankar weathered storms with quiet strength, Nasir Shaikh embraced challenges with skill. Amit Raje and Sukumaran Nair built bridges of hope, Each president fulfilling our mission with goodwill.

Now Arunima Singh (2024-25) guides our journey forward, Standing on shoulders of giants who came before. Twenty-four leaders, unique in their gifts, United in purpose to serve, to lift, to soar.

I've watched them all, through laughter and tears, Some quiet in manner, others bold in their speech. Yet each carried forward our cherished ideals, With hands that would heal and hearts that would teach.

Remember the ancient woodland tale?

A mighty oak was once asked its secret to greatness. "I stand tall," it whispered, "because my roots Are nourished by those who came before me, And my branches reach higher because I carry their dreams with me into the sky."

A Tribute to Tata: The Ratan

When the sun rises on a new day, and the world wakes up to face its challenges, there is one name that echoes in the hearts of millions: 'Ratan Tata'. A titan of industry, a visionary leader, and an extraordinary figure of humanity, Ratan Tata's influence extended far beyond the boardrooms of the TATA Group.

As Rotarians, we witnessed firsthand the extraordinary impact of his life. His unwavering commitment to service above self was an inspiration to us all. He was a man who walked the talk, leading by example and demonstrating the true meaning of philanthropy.

Remembering the time when our social media feeds were inundated with stories of his kindness, his compassion, and his unwavering dedication to making a difference? From his personal interactions with employees to his philanthropic endeavors, Ratan Tata's legacy was etched into our hearts.

"He was more than just a leader; he was an inspiration."

"He was more than just a businessman; he was a mentor, a friend, and an idol."

His presence was a constant reminder of the power of human kindness and the importance of giving back to society.

We will miss him dearly. Every time the thought of service above self-crosses our minds, we will continue to think of Ratan Tata. His memory lives on, inspiring us to continue his work and strive for a better world.

"Ratan Tata, you will be missed. But your spirit will live on, inspiring us all to strive for a better world."

A Tale of Tata: From Strays to Stars

How do you pay tribute to a Titan of Industry, who has exhibited Steely resolve and motored beyond obstacles to give flight to all that the TATA name and group stands for.

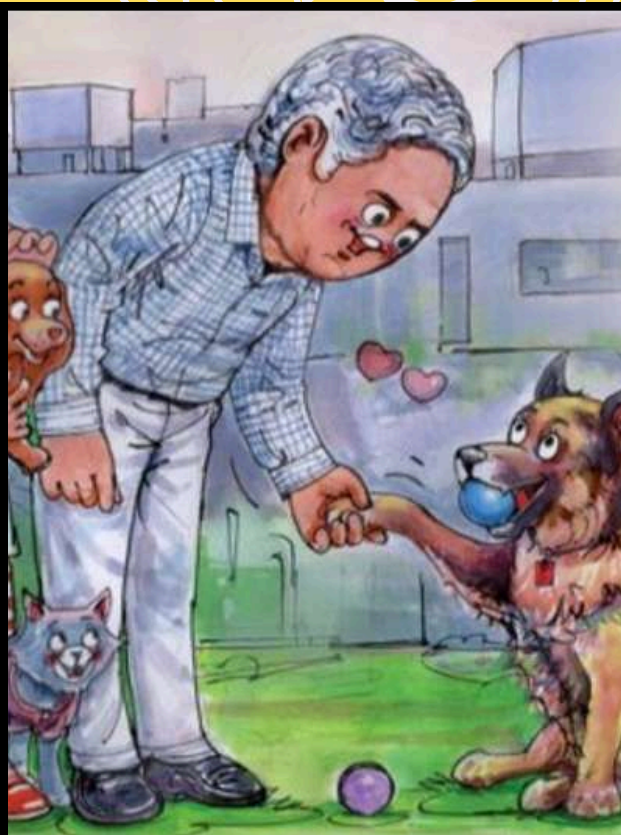

There are so many Ratan Tata stories that have flooded the social media apparatus and some of them are so endearing. Like his calling up Zoheb and Naziya Hussain (The Aap jaise koi re singer from Qurbani) to request them to agree to produce an album for a TATA Recording Venture Or his Love for Dogs and the fact that strays were visitors to the TATA Headquarters at Bombay House.

Who can ever forget that when the Jewel at the Gateway of India, the TAJ of the entire Indian Hospitality Industry was subjected to a terrorist attack, he was there in the background, at the site.

His is a story of being considered, someone not in the Premier League of the TATA Companies, taking over the reins, reigning in the satraps, ushering in a new genre of CEO's new at the game and producing results. The Alex Ferguson of Old and the Pep Guardiola of today To Sir with Love is a 1967 Film that deals with racial and social issues in an inner city school.

Its signature song, voiced by Lulu, titled "To Sir with Love" epitomises growing up in the TATA World, "So how do you thank someone who's taken you from Crayons to Perfumes, (or Salt to Software) it isn't easy but I'll try.

If you wanted the Sky, I would write across the Sky in letters that were 10,000 feet high,

Rotary Leadership Training Draws 240+ at Lonavala Mountain Retreat

Against the backdrop of mist-shrouded hills, over 240 Rotarians gathered at Lagoona Resort for an intensive leadership development summit hosted by the Rotary Club of Hiranandani Estate (RCHE).

The two-day Pre-President Elect Leadership Seminar (Pre-PELS) immersed incoming club presidents in workshops focused on strategic planning, membership development, and community service initiatives, equipping them with critical skills for their 2025-26 terms.

District Governor-Elect Harsh Makol, alongside District Trainer Kailash Jethani and senior Rotary officials, inaugurated the event centered on "Transformative Leadership for Community Impact."

"This retreat provides both inspiration and practical tools for leaders to drive meaningful change in their communities," said Convenor PP Devendra Tomar. The program featured specialized breakout sessions where experienced Rotarians offered personalized guidance to smaller groups.

The mountain setting fostered robust networking, with participants forging cross-club connections that strengthen the district's collaborative capacity.

"The overwhelming participation demonstrates our members' commitment to Rotary's ideals," noted Club President Arunima Singh as the event concluded with renewed energy toward the organization's "Service Above Self" ethos, setting an ambitious course for community impact throughout the region.

However, bold **OUR** imagination.

However, great **OUR** ambition.

We **TOGETHER** will build it.

We're the team **FIRST** and only **ONE**

To be entirely shaped around **RCHE's VISION**

Because **we** understand what **PROGRESS & SCALE** is

From the challenges **we** face, to the **OPPORTUNITIES** we seize.

So, no matter how quickly **WE** need to **EVOLVE**.

No matter how **FAST** we have to **PIVOT**.

We can **BUILD** it **TOGETHER**.

Through transformative **THINKING**, transparent **CULTURE** and
AI- working committees.

With an elite network of **DIVERSE**, **INCLUSIVE** and **EQUITABLE**
intellectuals.

And the best **TEAM** on the planet, at your **SERVICE**.

We **EMPOWER & SUPPORT** each other, we are **ONE**.

We **SIMPLIFY** the **COMPLEX**.

And will **STRATEGISE & EXECUTE** work that drives **GROWTH**,
