Who We Are

Rotary is a global network of 1.4 million neighbors, friends, leaders, and problem-solvers who see a world where people unite and take action to create lasting change across the globe, in our communities, and in ourselves.

What we do

Rotary members believe that we have a shared responsibility to take action on our world's most persistent issues. Our 46,000+ clubs work together to:

- Promote peace
- Fight disease
- Provide clean water, sanitation, and hygiene
- Save mothers and children
- Support education
- Grow local economies
- Protect the environment

We work differently

We see differently: Our multidisciplinary perspective helps us see challenges in unique ways.

We think differently: We apply leadership and expertise to social issues and find unique solutions.

We act responsibly: Our passion and perseverance create lasting change.

We make a difference at home and around the world: Our members can be found in your community and across the globe.

Our Mission

We provide service to others, promote integrity, and advance world understanding, goodwill, and peace through our fellowship of business, professional, and community leaders.

Vision Statement

Together, we see a world where people unite and take action to create lasting change — across the globe, in our communities, and in ourselves.

Diversity, Equity, and Inclusion

As a global network that strives to build a world where people unite and take action to create lasting change, Rotary values diversity and celebrates the contributions of people of all backgrounds, regardless of their age, ethnicity, race, color, abilities, religion, socioeconomic status, culture, sex, sexual orientation, and gender identity.

The FEBRUARY Edition 2024-25

Rotary District 3142: A Legacy of Service

Founded in 2016, Rotary District 3142 boasts a vibrant network of over 4,000+ Rotarians across 114 clubs.

Their dedication to service is evident in the staggering number of projects undertaken: 11,583 projects valued at over ₹1,14,19,50,387 (INR) since their inception.

Building on a Strong Foundation:

Each year, under the leadership of a dedicated District Governor, the district has achieved remarkable success. From "Numero Uno" in their first year to "Excellent" in 2023-24, the commitment to service has remained constant

A Holistic Vision:

Rotary District 3142 focuses on various areas to create a better future:

- **Youth Service:** Empowering young minds with over ₹47 crore invested.
- **Education & Literacy:** Prioritizing basic education with over ₹13 crore invested.
- **Maternal & Child Health:** Ensuring a healthy start for future generations with over ₹3 crore invested.
- **Disease Prevention & Treatment:** Promoting community well-being with over ₹4 crore invested.
- **Peacebuilding:** Investing in harmony and understanding with nearly ₹2 crore invested.
- **Community & Economic Development:** Building a brighter future for communities with over ₹4 crore invested.
- **Environment:** Safeguarding the planet with over ₹2 crore invested.

3142, started small, but dreamed big. the first year, under Dr. Chandrashekhar Kolvekar's leadership, was a "Numero Uno" for the history books.

Each year since has been a chance to shine even brighter. B.M. Sivarraj's "Star" year, Dr. Ashes Ganguly's "Perfect" year – they all built on the foundation laid before.

Dr. Mohan Chandavarkar brought "Smart" thinking in 2019-20, and Dr. Sandeep Kadam's "Josh" in 2020-21 was truly inspiring.

We have seen Dr. Mayuresh Warke's emphasis on "Smile" in 2021-22, Kailash Jethani's focus on building "FAB" (Fabulous) qualities in 2022-23 and Milind Kulkarni maintaining the high standards with an "Excellent" grade in 2023-24.

The future looks bright with Dinesh Mehta promising "Awesome Magic" in 2024-25 and Harsh Makol preparing for another remarkable year in 2025-26.

This ensures a continuous legacy of service that Dr. Nilesh Jaywant will inherit, carrying the torch forward in 2026-27, for countless moments dedicated to a cause greater than oneself.

Beyond Leadership:

Rotary Alumni clubs also play a significant role, contributing their expertise to various projects. Additionally, there's a dedicated focus on Peace and Fellowship initiatives.

Looking Ahead:

With strong leadership and a commitment to service, Rotary District 3142 is poised to continue its remarkable journey of making a real difference in the lives of others.

February's Whispers of Peace

"Peace is not merely a distant goal that we seek, but a means by which we arrive at that goal." —Martin Luther King Jr.

Dear friends in Rotary,

Have you noticed how February brings such unique energy to our peace initiatives? I have been reflecting on this fascinating month where winter begins its quiet retreat and spring whispers promises of renewal.

Between our vital projects, clean water access, polio eradication, education, sometimes our peacebuilding efforts receive less fanfare. Yet like February's delicate violets, they hold significance far beyond their visibility.

I find it meaningful that February begins under Aquarius, independent, visionary, humanity-focused, mirroring our Rotarian commitment to breaking barriers and fostering understanding. Then comes Pisces, bringing deeper compassion to our work, like the violet's faithful presence and the cypress's enduring strength.

Isn't it profound that true peace requires both intellectual vision and heartfelt compassion? It demands more than absence of conflict, it needs presence of justice, equity, and human dignity.

As we move through February, I wonder: How are you cultivating peace in your corner of the world? What violets are you planting? What cypress strength are you embodying?

ROTARY'S 'NEW MAGIC MAKER'

THE MAGIC OF FUN!

Hello My dear Rotary friends!

Would You Join Your Own Club?

I always walk into meetings at my home club of McMurray, Pennsylvania, with a smile on my face. A few years ago, someone arrived late. Instead of scolding the person, we cheered. Since then, we've made it a tradition to applaud all members when they arrive for meetings. It's tough not to smile with a greeting like that.

There's nothing more powerful for engaging and retaining members than a club that's vibrant, welcoming, and — yes — fun.

Think back to what drew you to Rotary.

Chances are, it wasn't just the service projects or professional networking. It was the people - the friendships, the shared laughter, and the joy of working toward a common purpose. That's what keeps us coming back.

If you're looking for that sense of joy in your meetings, don't be afraid to ask yourself and your fellow members some tough questions.

If you were a prospective member, would you join your current club? It's a powerful question but don't stop there.

Do members of your club feel that they belong? Are your meetings fun? If not, what can you do about it together?

At your next meeting or event, try something new to bring out a few extra smiles. It's the simple things that create lasting bonds and make clubs simply irresistible.

Here's one example of a club moving in the right direction. The Rotary Club of Fukushima, Japan, has been combining environmental responsibility with community fun since 2021. In Japan, people have made picking up trash into a sport known as SpoGomi, and every year the club hosts a game. This year, more than 400 participants cheered each other on while they came together to improve their community.

This event is an excellent example of how Rotary clubs can have fun, make a difference, and raise awareness for broader global challenges all at the same time. And the inclusive, family-friendly format allows people of all ages to participate.

When we enjoy what we do, that energy becomes contagious. It's what attracts new members and keeps our clubs strong and engaged. It helps people feel that they belong.

Retention and culture go hand in hand. The healthier our club culture, the more likely members are to stay. Rotary magazine is an outstanding resource for inspiration on how to enhance our club culture and deepen member engagement.

I encourage you to explore the stories and strategies in these pages, drawing from other clubs' successes to find ideas that work for

Together, we can create a more engaged, enjoyable, and inclusive Rotary that every member can feel proud to be part of. Let us continue with renewed commitment and enthusiasm, living The Magic of Rotary.

WHIRLING DERVISHES & PEACE BUILDERS

Dear #RCHE members,

February is the month in which Rotary came into existence and it is celebrated in the Rotary World as the Month that we focus on Peace and Conflict Resolution. Whilst Rotary fervently believes in the saying "Think Global, Do Local", most Rotarians are unfortunately unaware of what Rotary as a global organisation does to promote peace and prevent conflict.

Are you, for example, aware that Rotary International has established seven Peace Centres in different parts of the World. These centres offer tailor-made curriculum to train individuals in peace building and conflict resolution.

A Rotary Peace Fellow at the University of Bradford in England used her learning of the classes in African politics and UN Peacekeeping to set up an organisation that encourages South Sudanese women to participate in the peace process.

You can recommend worthy candidates, who may be interested in enrolling for a Rotary Peace Fellowship, to the Director entrusted with this initiative, Ms Smriti Gulwady.

The ShabdKosh defines 'SAMANVYA' as the bringing together of diverse elements into an integrated and harmonious operation, 'A Confluence of Excellence'.

This is a very apt description of the District Conference scheduled for 1st and 2nd March at India's most acclaimed Convention Venue, the JIO Convention Centre at the Bandra Kurla Complex in Mumbai.

It is for the first time that Rotary Districts 3141 and 3142 have united to stage an integrated and harmonious conference.

This promises to be an unforgettable experience of listening to famous personnel, feasting on mouth-watering delicacies and for evening entertainment being treated to some foot-tapping music.

It is an opportunity, that is unique, a combined District Conference. If you have not done so already, register immediately.

**In service, Your District Governor

‘A MAGIC YEAR OF KARMA’

#Peace Begins at Home!
#Peace Grows Where Service Flows!
#Peace Flourishes Through Service!

Dear esteemed RCHE family,

As February's Peace & Conflict Prevention Month draws to a close, I reflect with immense pride on our collective impact.

Together, we have exemplified how service creates harmony in our community.

Our Rs 65,000 contribution to Sri Sathya Sai Sanjeevani Centres demonstrates our commitment to healing the smallest hearts regardless of background, truly embodying "Love All, Serve All."

The Mayuri Folk Dance Competition brought together 168 young dancers from 11 schools, fostering cultural understanding and confidence among our youth, essential foundations for peaceful societies.

Our Mumbai heritage walk strengthened our shared identity, reminding us that appreciation of our roots builds stronger communities.

Most recently, our 23rd annual Free Medical Camp served 220 individuals, with 123 eye check-ups and 18 cataract surgeries arranged, because peace begins with wellbeing.

These initiatives reflect our commitment to creating environments where peace can flourish through service, understanding, and care.

Peace is not merely absence of conflict; it is actively building bridges through service.

With gratitude, In service,
Arunima Club President

With gratitude for your service,
We will make this year truly
Awesome!

#RCHE SAMPARK

The FEBRUARY Edition 2024-25

OUR PRESIDENTIAL PANTHEON

From humble beginnings to towering heights, Twenty-three torchbearers illumined our way. Through seasons of challenge and moments of triumph, Their wisdom continues to guide us today.

First came Sankar Mohan K C, our Charter President, Who planted the seedling with visionary care. Then Kumar Bhatia nurtured its tender roots, While Suraj Mathur helped its branches prepare.

Sudeep Basu and Pradeep Thakur strengthened our trunk, As Pradeep Nair extended our reach. C S Shetty and Dr. C M Dwivedi followed with grace, New horizons of service, each helping to breach.

Krishna Saraf and Shantanu Halder raised our banner high, M H Narasimhan championed our cause with pride. Madhu Menon and Devendra Tomar broadened our impact, As Prakash Baride stood steadfastly at their side.

Dharm Prakash Tripathi forged paths untrodden, Dr. Roopali Deshpande with compassion led the way. Baljinder S Kumar and Sandhya Shastri fostered growth, While Dr. Namrataa Srivastav brought innovation into play.

Ravi Shankar weathered storms with quiet strength, Nasir Shaikh embraced challenges with skill. Amit Raje and Sukumaran Nair built bridges of hope, Each president fulfilling our mission with goodwill.

Now Arunima Singh (2024-25) guides our journey forward, Standing on shoulders of giants who came before. Twenty-four leaders, unique in their gifts, United in purpose to serve, to lift, to soar.

I've watched them all, through laughter and tears, Some quiet in manner, others bold in their speech. Yet each carried forward our cherished ideals, With hands that would heal and hearts that would teach.

Remember the ancient woodland tale?

A mighty oak was once asked its secret to greatness. "I stand tall," it whispered, "because my roots Are nourished by those who came before me, And my branches reach higher because I carry their dreams with me into the sky."

IN MEMORIAM: LEADERS & LEGENDS ECHOES OF GREATNESS

"Giants at Rest: An Elegy for Singh and Benegal"

In silence now two giants take their rest, Each having served our nation at its best. Singh with wisdom steered our economic way, While Benegal's lens brought truth to light of day.

One shaped our future with a steady hand, His reforms transforming our beloved land. The other painted stories brave and true, Through silver screen, perspectives fresh and new.

Though both have passed beyond our mortal sphere, Their legacy continues, crystal clear: In policies that lift the common man, In films that show us who we truly can.

So let us not in darkness long remain, But celebrate the light they helped us gain. For while these titans now may sleep profound, Their work in countless lives shall still resound.

Our RCHE family just took another beautiful step in maternal-child health! On February 5th, we proudly presented Rs 65,000 to Sri Sathya Sai Sanjeevani Centres For Child Heart Care in Kharghar.

President Arunima, PP Pradeep Thakur, and Rtn Rama personally delivered this gift that will support free heart care for children, regardless of background or financial status.

"My son received treatment here last year," shares Meena, a beneficiary mother. "Without their compassionate care, and supporters like RCHE, my child wouldn't be healthily playing today."

This partnership embodies our shared belief: Love All, Serve All. Together, Rotarians, we're mending little hearts and building healthier futures!

ROTARY INTERNATIONAL NEWS FLASH

The FEBRUARY Edition 2024-25

#Jimmy Carter's vision for peace

"Peace is not merely the absence of war, but a tapestry of justice and human dignity." - Jimmy Carter

You might picture Jimmy Carter, the 39th U.S. president, surrounded by the grandeur of the White House. But in reality, his legacy extends far beyond the Oval Office. This remarkable man, known for his unwavering commitment to peace and human rights, has dedicated his post-presidency to making a profound and lasting impact on the world.

"In an extraordinary chronicle of service that transcended presidential bounds, Jimmy Carter, the 39th U.S. President and esteemed Paul Harris Fellow, exemplified Rotary's ideals of peace-building and humanitarian service. His remarkable journey from the Oval Office to becoming a global peace ambassador resonated deeply with Rotary's mission of fostering international understanding.

The Carter Center, established in 1982 with his wife Rosalynn, emerged as an epitome of hope, championing human rights, democratic processes, and global health initiatives. This institution's work in election monitoring and conflict mediation across challenging regions like Israel-Palestine, Sudan, Syria, and Liberia aligned seamlessly with Rotary's commitment to peace and conflict prevention.

Carter's recognition with the 2002 Nobel Peace Prize celebrated his tireless dedication to diplomatic solutions and human rights advocacy. His partnership with service organizations, particularly acknowledging Rotary International's leadership in polio eradication demonstrated the power of collaborative humanitarian efforts. The Carter Centre's innovative disease eradication programs, including the campaign against Guinea worm disease, paralleled Rotary's global health initiatives.

From the historic Camp David Accords to his continued community service in Plains, Georgia, Carter's legacy illustrated that peace-building begins with individual commitment and extends to global impact. His vision of universal human rights, encompassing healthcare access, education, and democratic freedoms, mirrored Rotary's comprehensive approach to sustainable peace.

What an incredible journey our 23rd annual Free Medical Camp has been!

On February 23rd, we transformed the Hiranandani Estate clubhouse into a beacon of hope, providing vital eye care to our community.

smiles on patients' faces said it all, "I can finally see clearly again," shared one elderly gentleman scheduled for cataract surgery.

Together, we served 220 individuals, performed 123 eye check-ups, and arranged 18 life-changing cataract surgeries.

And we are not stopping here! Stay tuned for our upcoming camps for other senses too.

This is just the beginning! Stay tuned for our upcoming sense-specific camps, because when we embody "Love All, Serve All," miracles happen.

Proudly continuing our legacy of compassionate care, #RCHE

*Dancing to Cultural Rhythms:

One student told me, "I never thought I could feel so confident on stage," while a teacher shared, "These cultural experiences transform our students."

"Dance is the hidden language of the soul, and in folk traditions, we find our shared humanity."

What an incredible day at the Mayuri Folk Dance Competition!

Our #RCHE family brought together talented kids from 11 schools, with 168 young dancers lighting up the stage at Kashinath Ghanekar Mini Auditorium.

Fellow Rotarians, you should have seen these kids, absolutely beaming with pride as they performed! One student told me, "I never thought I could feel so confident on stage," while a teacher shared, "These cultural experiences transform our students."

The energy was contagious, the costumes vibrant, and the smiles endless.

This is what #RCHE is all about, creating platforms for young talent to shine!

"Dance is the hidden language of the soul, and in folk traditions, we find our shared humanity."

We at #RCHE believe that reviving our cultural memories strengthens the foundation for future generations. Our Mumbai heritage walk wasn't just a stroll through history, it was a vibrant celebration of our shared identity!

"The stories we discovered about our city were eye-opening," shared one member. "I will definitely bring my children next time!"
We laughed, learned, bonded over delicious local cuisine, and created memories that will inspire our service work. We are proud Indians first, then Rotarians, this cultural reconnection fuels our commitment to community.

Fellowship may be Rotary's second pillar, but these connections are what empower our "service above self" with heart and purpose!

However, bold **OUR** imagination.

However, great **OUR** ambition.

We **TOGETHER** will build it.

We're the team **FIRST** and only **ONE**

To be entirely shaped around **RCHE's VISION**

Because **we** understand what **PROGRESS & SCALE** is

From the challenges **we** face, to the **OPPORTUNITIES** we seize.

So, no matter how quickly **WE** need to **EVOLVE**.

No matter how **FAST** we have to **PIVOT**.

We can **BUILD** it **TOGETHER**.

Through transformative **THINKING**, transparent **CULTURE** and
