## **A MESSAGE FROM DISTRICT GOVERNOR DINESH MEHTA**

Additionally, I was honored to assume the role of District Governor and to recognize Rotarians who made significant financial contributions. Our Blood Collection Drive was another resounding success, resulting in the collection of over 1500 units of blood.

Moreover, I have had the privilege of attending club installations throughout the district, where I have been inspired by the innovative projects and community outreach initiatives undertaken by our members.

August is designated as Membership and New Club Development Month. Membership is the lifeblood of our organisation, and this month provides an excellent opportunity to celebrate the values of our members, showcase the global impact of Rotary, and invite new individuals to join our ranks. By actively engaging in recruitment and retention efforts, we can strengthen our organisation and expand our reach.

### **DEAR FELOW ROTARIANS !**

As we embark on the second month of this Rotary year, let us reflect on our accomplishments and anticipate the opportunities that lie ahead.

Your unwavering dedication continues to inspire us to create a positive impact on our communities.

July was a month of remarkable achievements. We successfully launched the Annapurna Initiative, providing meals to over 9000 individuals. This initiative demonstrated our commitment to addressing food insecurity and underscored the importance of community service.

I encourage each club to explore innovative ways to establish new clubs in areas that can benefit from Rotary's presence. By expanding our network, we can amplify our impact and serve a wider range of communities.

Thank you for your unwavering commitment and service.

Yours in Rotary Service,

**Dinesh Mehta District Governor**

### August Vibes: A Rotary Story ...From the Editor's Desk

*August, the month of Leo until August 22 and Virgo from August 23, is a time of radiant sunshine and serene beauty.*

August, a month of sunshine, warmth, and new beginnings. As we explore its symbolic elements – Leo and Virgo zodiacs, peridot, gladiolus, poppy, cypress, poplar, cedar, and pine, we see parallels to Rotary.

Imagine a Leo leading a project, inspired by a Virgo's meticulous planning.

Together, they embody Rotary's blend of passion and pragmatism. Like the peridot, Rotary provides a foundation for our communities.

The gladiolus and poppy remind us of Rotary's commitment to service and support. And the towering trees symbolise Rotary's resilience and growth.

As we embrace August's vibes, let us celebrate Rotary members' dedication, compassion, and commitment to Service Above Self.

Their work makes a lasting impact on our communities and inspires us all.
