## FROM THE DESK OF PRESIDENT RTN. SURESH DONGRE

Dear Fellow Rotarians, Partners and Friends,

The month started with a religious trip of Ladies wing to Shrinathji. It was a most successful trip wherein nearly 20 Ladies participated and had a wonderful Darshan (from early morning to evening). The trip was arranged from 02.10.23 to 04.10.23. The first event of the month was a guest speaker meet on 06.10.23. We had invited Ms Gauri Devidayal, a Culinary Expert, interacted with Pallavi Sanghvi, President Elect. The session was interactive and lively. The session ended with Q and A wherein many members participated in the discussions. On 12.10.23, we visited J K Jadhav Institute@ Wadala, as one of our Rotarian Ms. Bharati Marfatia donated nearly 100 rare books from her collection to the institute. The program was attended by Pallavi, Deepti, Bharati Marfatia and me. The function was attended by more than 100 students and teachers from the institute. The valuable treasure books would surely assist students and teachers during their curriculum.

We had another guest speaker meet on 13.10.23 by Dr Gaurav Beswal, Diabetologist, who delivered a lecture on "Do and Do Not's" of menace of Diabetics. He also suggested the diet control & other precautions to be taken by the people suffering from Diabetics. The session was excellent and flow was smooth and simple. The Q and A session helped clarify doubts of members. On 14.10.23, we had conducted a medical camp at Phadke Mandir Hall, V P Road, Opp. Sicca Nagar, Mumbai - 400004. The camp was organised by Rotarian Dr. Indumati and her medical team. Apart from Eye Check-up, BMI, Blood Pressure, Diabetics and overall health check-up was done. Nearly 14-15 Members from the Club Participated during the camp. We distributed nearly 85 Free Spectacles to needy people post eye checkup. Total 100 People participated in the camp. On 22.10.23, we had organised "Garba", a fellowship event and everyone had lots of fun in playing Garba and Dandia. A surprised choreographed Garba was performed by select ladies, which was highly appreciated by all. More than 65 Members + Anns participated and everyone had lot of fun.

On 24.10.23, we had a meeting of a project team to discuss and shortlist various large projects to be done in Jan / Feb 2024. A project of Akshay Chaitanya was shortlisted by Project team who visited the set-up of Akshaya Chaitanya @ Byculla to know the exact requirements and what could be done. It was decided to put up projects to the board on 01.11.23 during the monthly BOD meet. A month ended in a balance between excellent speakers and fun filled activities.

Yours in Rotary,
