

## PRESIDENT MESSAGE

Warm Greetings to all!

Month of April was full of colourful, patriotism and full of enthusiasm.

The month started with blood Donation camp at CST Station with collection of 56 bottles of blood.

Our project of making a roof over the Science Lab at Chatrapati Shivaji Vidyalaya at Dharavi was completed with great success. Thanks to Rtn Rajesh AND Roopa Kapadia.

We had an amazing speaker meet for this month where Dr Ekta Vyas the physiotherapist briefed us on ageing gracefully.

I always feel that besides doing medical camp for others we also should take good care of our own selves. For this a special STEP test was available to our members at very discounted rate.

Our month ended with an amazing international trip to Baku. Truly a wonderful experience and a great bonding amongst all 52 of us. Super success it was!

Warm regards,

*P. Sanghvi*

Our trip to Baku was absolutely unforgettable! 52 of us explored the city's ancient history, vibrant culture, and stunning architecture. From the iconic Flame Towers to the historic Old City, every moment was filled with wonder and excitement. We immersed ourselves in the local cuisine, traditions, and hospitality, creating lifelong memories. The quaint town of Shahdag, enveloped in dense fog was nature's gift to us, Simply soothing our parched bodies & souls. We moved to Gabala, where another GOD's Gem welcomed us. The mountains, the rivulet, the trees... shone magically in the Sunrays. The deep bonding amongst us grew stronger over some fun entertaining times of music and dance! A trip to treasure & reminiscence वो सात दिन !!

Lastly a big thank you to WOV Travels for making this possible.
