

**RI PRESIDENT MESSAGE**

Greetings Members and Partners,

December marked a meaningful milestone as we completed the calendar year 2025 and also reached the halfway point of Rotary Year 2025–26. It was a month that beautifully reflected the true essence of Rotary—learning, unity, leadership, and impactful service.

**05th December 2025** We began the month with an enlightening speaker session by Ms. Suchita on the recovery of unclaimed investments. Her talk was highly educative and informative, empowering members with practical knowledge of great relevance. I sincerely thank Suchita for sharing her expertise so generously with our club.

The Club Assembly held on **17th December 2025** was both fruitful and inspiring. One of the most heartening moments was the Ghar Wapsi and induction of Om Chawla, which reminded us that Rotary bonds are lifelong and always welcoming. The assembly also witnessed the unanimous selection of three directors without an election, reflecting the strong trust, harmony, and fellowship within our club.

The evening included an engaging and interactive discussion on fund collection for large projects, with a focus on contributions from our own members—demonstrating our shared commitment to creating meaningful and sustainable impact. The spirit of giving was further celebrated with the Paul Harris Fellow pinning of Shobhana, Rajesh, and myself, marking proud moments of recognition and reaffirming our collective belief in The Rotary Foundation and the values it upholds. My heartfelt gratitude to all members for their encouragement and support. Special appreciation to-all for beautifully coordinating and bringing together so many significant moments in one memorable evening.

**30th December 2025** Our Helping Hand initiative once again showcased Rotary’s commitment to service through the project “**Computers – Lifeline of the Age**”. We donated three high-end computers to BKM School, Babulnath, benefiting 251 students who will now be trained in various digital formats—empowering them with essential skills for the future.

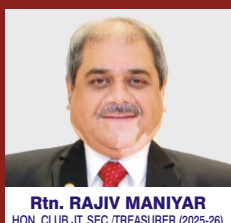

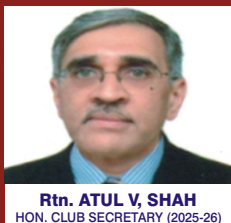

As we step forward into the new year, I am deeply grateful to each Rotarian for their dedication, generosity, and spirit of service. Together, we continue to strengthen lives, build futures, and live the true meaning of Service Above Self.

Thank you to all members, partners, and supporters who made these events and projects a grand success!

Warm regards,

**SUNIL TALWAR**
