

PRESIDENT MESSAGE

Warm Greetings to all!

14th July is a very prestigious day in my life. To be elected as the President of this prestigious club. The Rotary Club of Mumbai Malabar Hill, with its rich history of service and fellowship, is an honor that humbles me.

Since joining Rotary I have been mentored by an amazing group of peers who have taught me the true meaning of Rotary's motto "Service Above Self". I always believe that the dedicated and passionate team of Directors and the Members are our pillars of strength. Together with my fellow Rotarians, I have had the privilege to jump right into the lives of those we serve.

For me it's a new world. When I met a three year old visually impaired child my heart felt with humanity, love, gratitude and bow down to the universe for giving me this opportunity.

Today, I can proudly say that I have transformed from being just a member to becoming a Rotarian. The values of Rotary have become a part of who I am, inspiring me to make a lasting difference.

I thank all fellow Rotarians of RCOMMH for their belief in me to lead as the 24th president of our club for the Rotary year 2024-25.

In last two months our club did various projects and good speaker meet and details put up below.

Warm regards,

P. Sanghvi
