

RI PRESIDENT MESSAGE

Warm Greetings to all!

Dear Fellow Rotarians, As we step into the second month of this Rotary year, I feel grateful for the energy, enthusiasm, and fellowship that each one of you brings to our club. August has truly been a month of inspiration, celebration, and learning for the Rotary Club of Mumbai Malabar Hill.

We began with our first speaker meeting, where we had the privilege of listening to **Prabhu Nityanand ji of ISKCON**. His words on spirituality and purpose reminded us of the deeper values that guide our principle of *Service Above Self*.

On **6th August 2025**, our bright and enthusiastic young girls undertook meaningful projects on **rainwater harvesting** and **distribution of books and stationery** to school children. Their efforts were a wonderful reminder of how small acts of service can create a big impact.

On **15th August 2025**, we came together to celebrate our nation's Independence Day at the **Malabar Hill Police Station**. It was a proud and emotional moment to hoist our tricolour alongside the brave men and women who safeguard our community. Sharing breakfast and fellowship with them added warmth to the patriotic morning.

Later in the month, on **22nd August 2025**, we had a very special session by **Swaroop Kale**, son of our own member. His enlightening talk on **Women's Self-Defence** was not only inspiring but also empowering. It was heartening to see the next generation actively contributing to society's progress.

August has indeed been a month where we experienced the true spirit of Rotary—**friendship, service, learning, and national pride**. Let us carry this momentum forward into the coming months with the same enthusiasm and dedication.

Warm regards,

Sunil Talwar
