Dear Fellow Rotarians, Partners and Friends,

A month started with a speaker meet on 01.03.2024 by Rotarian Dr. Divya Malhotra, who spoke on numerology and importance of numbers in everyone's daily life. Interesting talk on the subject kept audience engrossed and the session was interactive with members enjoying every bit of it. On 02 & 03 March 2024 it was a 2 full day graduation program by Rotary Leadership Institute (RLI) @ IMC, Churchgate. It was an interesting program attended by President Suresh & PE Pallavi wherein in-depth knowledge was shared by expert faculties. The active participation by all the participants made the sessions interesting.

On 05.03.2024, Suresh and Punit participated in the camp organised by BMC on a world Polio Day. On 10.03.2024, Rtn. Punit Vakil, Krishna and me visited a Centre for differently abled children @ ADHAR, Badlapur. The Visit was worth remembering for long time. The entertainment program by spastic children and their workmanship for making bags, Diya's etc. was amazing and stunned us. On 10.03.2024, Nilesh and PE Pallavi attended a summit "FOCUS" of Vibrant Year 2025. Nearly 41 lady PE's attended the same. On 15.03.2024, as a part of the PR activity Rtn. Bharatiben Marfatia visited Rotary Club, Rajkot Midtown and exchanged flags and various thoughts with them.

A cricket fellowship was organised by Rajesh and Nilesh at NSCI on 15.03.2024 & was attended by members and partners. Cricket match was a sheer bliss, childlike enthusiasm, great bonding, good food, fun and frolic. The presence of 3 ladies active participation in the match, added colours to the game. The Cup for best Batsman and bowler were sponsored by Rajesh Kapadia. The efforts by Radhika and Nilesh in organising & distributing T shirts was surely applaudable.

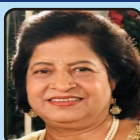

We had joined as a Co-Host for the project "Legacy of Life" initiated by Rotary Club, Mahim on 16.03.2024. The webinar on Organ Donation was conducted by eminent doctors stressing a need of organ donation sharing videos of few live cases made it interesting. On 19.03.2024, we participated in a prize distribution function at Phadke Mandir for giving away the prizes to students from 3 schools with more than 90% attendance. The thought was applauded by Teachers and society. The contribution by few Rotarians in monetary terms added strength to the occasion. On 20.03.2024, we did a project under "Helping hands", involved donation to NGO Shradha at Tardeo to procure raw material for patrawali. The project enabled members to interact with differently abled children involved in making various items made from ART and CRAFT

On 22.03.2024, we had a guest speaker meet by Ms Caroline Boomer, a Belgian National who spoke on women's empowerment. The topic was interesting and she explained with simple real-life examples. On 29.03.2024, we donated a printer to Suryakant Wagal Hospital at Zaobawadi, Thakurdwar. The Donation was made by AG Punit Vakil. The Month ended with Lots of enthusiasm on collecting funds for large project of giving vehicles to Akshay Chaitanya and also project of providing umbrellas to vegetable vendors and fruit vendors.
