

PRESIDENT MESSAGE

Warm Greetings to all!

Month of March was full of colourful, patriotism and full of enthusiasm.

The month started with DISCON 2025 at JIO Convention Centre. It was a fabulous experience for our members who attended it. There were many Special Dignitaries as Guest Speakers.

Our next was visit to Palghar for Adult literacy program ...where I was amazed to see the meticulous planning of this program though we have joined with other club the entire arrangement was excellent ...we gave certificate to 2000 people who came from remote places nearby villages and when I saw a lady 103 yr old was reading calendar fluently. It was amazing to see her confidence and smiling face with sparkled eyes.so, the completion of this wonderful project by our club felt satisfied that we truly believe in service above self.

To encourage the entrepreneurship for women we sponsored a NGO named Kshitij which gave them tremendous exposure in the flea and fair market.

Monthly Blood donation drive was at Dadar Station.

This Month we had a very colourful fellowship with celebrating Holi with so much fun and Zeal along with games and music. All the members truly had a blast.

We had an amazing short trip visit to the heaven on earth like which is the heart of Mumbai a visit to Raj Bhawan. we all were awed by peacock'sstunning beauty. We also saw the British Era bunker with so much information about our freedom fighters.it was a totally different experience.

Our Helping Hands project for this month was Donation a CPU to Chanda Ramji School for eLearning kit. I am sure it will help the young generation to upgrade themselves in digital world.

The Month ended with a great patriotism. Our guest speaker was Col. Tushar Joshia former National security Guards commando. It was a great honour to meet such a brave and fearless Col. it was this day we truly came to know the real story of Akshar Dham attack along with his live experience of the attack. He was so impressed by our club and he personally shared that he felt one of us.

Warm regards,

P. Sanghvi

Speaker Meeting An honour and privilege to have **Col. Tushar Joshi**. His bravery and selflessness during the Akshardham Ahmedabad terrorist attack in 2002 is an inspiration to all. An enthralling and motivating story of the attack kept us completely engrossed. The courage shown by him in the face of adversity is a testament to the training given to our Army. A powerful reminder of the bravery of our armed forces.
