

PRESIDENT MESSAGE

Warm Greetings to all!

This November month came with a lot of blessings.

On 14th November on children's day, we did Blood Donation camp at CST station. I saw many passengers just walked in and donated their blood..real humanity and a true service to the society.

Our club member Subhash and Sunali did "Annadan" to support families in loving memory of their mother at Bhartiya Stree Mandal. It shows "service above self".

Friends As you all know, 'a family who prays together stays together' and it's very true for our club.

Since the last three years our members do Mahalaxmi Mandir Aarti together and seek the blessings of goddesses. This time few of district members also had the opportunity and enjoyed the lunch together.

It was a memorable Fellowship of our club.

We ended this month with an eminent and very famous person named Bharat Dabholkar as our guest speaker.

Being an advertisement guru, he shared his breathtaking and extraordinary experiences of his field.

More than 70 members had attended this meeting and had a delicious dinner together.

Warm regards,

P. Sanghvi
