

RI PRESIDENT MESSAGE

Warm Greetings to all!

September was an inspiring and action-packed month for our club. We began with a thought-provoking speaker meeting – a lively Question & Answer session between Youth Leader Aditya Thackeray and our very own Nayna, which was enjoyed by all.

Our Helping Hands team took up two meaningful projects, both executed on Tuesday, 16th September. I urge all members to continue participating in large numbers, as your presence truly adds value.

1. Donation to Kamla Mehta Blind School – Rs. 75,000

We donated a specially designed Fibre Wooden Miniature Bridge Model. This unique model will help visually impaired children to feel the surface, understand the structure, and use the learning while walking or crossing real bridges.

2. Project SMILE – Rs. 25,000

Our ongoing commitment where we have adopted three children for higher studies.

Project Team : Rajul, Bharati, Chetna, Deepti & Ila – your dedication made this possible.

In addition, our club extended a helping hand towards **Punjab Flood Relief**. A total of **Rs. 2 lakhs** was contributed – **Rs. 1.5 lakhs** by Helping Hands, **Rs. 25,000** by **Rtn. Rajesh Kapadia**, and **Rs. 25,000** by **Rtn. Sangita Talwar**. The support was channelled through Rotary Club of Amritsar Civil Lines, whose members personally visited nearby villages to provide relief.

We also came together in the true spirit of fellowship to celebrate Navratri. From soulful aarti to energetic dandiya and garba, the evening was filled with joy, devotion, and togetherness. A special thanks to our Fellowship Team for putting up such a wonderful event.

Friends, these projects and fellowships reflect the heart of Rotary – service above self, compassion, and bonding. Let us keep the momentum going and continue to make a meaningful difference.

Warm regards,

Sunil Talwar
