She was overwhelmed to witness our initiative of fighting malnutrition in the two adopted Anganwadis. The day became even more special as our Charter member PP Rtn Jugal Shinglot attended the Poshan and sponsored it. The President, Rtn Rinki Barman and PP Jugal Shinglot gracefully presented Rtn Neha Vashi our club's flag thus following the Rotary Flag Exchange custom.

We also acknowledge PP Rtn Rashika Bhardwaj for gifting the kids another set of handkerchiefs. This periodical gifting of handkerchiefs has gone a long way in inculcating cleanliness in the kids. The children were given Soy Milk and Chikkis as Poshan. The other members who attended this Poshan were PP Sec Ritu Talwar and Rtn Amita Desai.

## Poshan Week 50 : February 20, 2025

Inspired by the success of our most loving project, HUMF, which is now more than 10 years old and was first initiated by our dynamic Past President, Dr. Prashant Kariya; we completed the 50th Consecutive Week of Project POSHAN on 20 February 2025. Project Poshan's official inception was in January 2024 under the able leadership of another dynamic President, IPP Ankur Marfatia, and the legacy continued under the leadership of President Rinki Barman. It has been continuing as a subsidiary of HUMF.

Team HUMF is grateful to the entire RSR family and congratulates all the members of RSR for relentlessly supporting the humanitarian cause taken up by all the successive Presidents by extending their whole-hearted support.

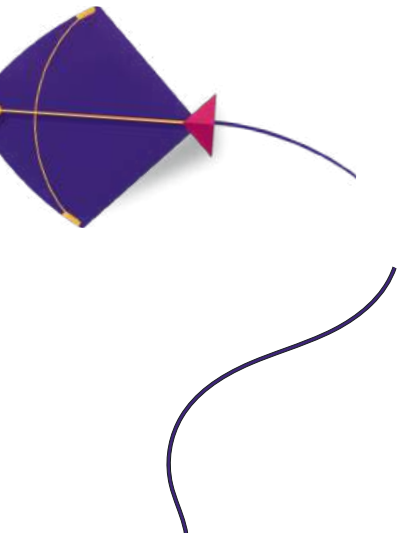

Special thanks to all the donors, without whose encouragement and support this would not have been possible.

Indeed, teamwork is the foundation for the success of any ongoing project, and we applaud wholeheartedly the passionate team behind this success – firstly, our most enthusiastic and passionate leader, Rtn Amita Desai; the most vivacious Service Project Chair, Rtn Nirupa Patel; the most graceful HUMF Chair, Rtn Emily Jacob; the most charming Jt. Service Project Chair, Rtn Purna Grover; the most dedicated and committed Literacy Chair, PP Rashika Bhardwaj; and the powerhouse of RSR Honorary Secretary, PP Ritu Talwar.

RSR Rocks!

The Rotary Clubs of Surat, in association with the Inali Foundation, successfully conducted a Battery-operated Prosthetic Hand Distribution Camp as part of the Gift of Mobility initiative, a signature project of RI District 3060 on 29 January 2025.

This noble initiative aimed to empower individuals with upper limb disabilities by providing them with battery-operated prosthetic hands, free of cost.

The hands were easy to fit and remove, allowing beneficiaries to perform everyday tasks independently. A team of trained professionals and volunteers assisted in the fitting process and provided necessary guidance on usage

The joy and gratitude on the faces of the recipients were heartwarming. Many beneficiaries, who had faced challenges in performing basic daily activities, expressed their happiness at regaining functional independence.

This event would not have been possible without the dedication and support of RC Surat Round Town, RC Surat, RC Surat Tapi, RC Udhna, RC Surat West, RC Surat East, RC Surat Diamond City, RC Kadodara, RC Kamrej, RC Sachin, RC Surat Hazirabay, RC Surat Metro, RC Surat Seaface and our vibrant club RC Surat Riverside.

A special thanks to Inali Foundation for their invaluable partnership and commitment to making this initiative a reality as 30 individuals benefitted from this camp.

Together, we can change lives—one hand at a time!

PP Rtn Raju Mehta sponsored this project on behalf of our club, RSR. Sincerest gratitude to him.

## Kai Po Che

Makar Sankrānti also referred to as Uttarāyana, Makara, or simply Sankrānti, is a mid-winter harvest festival in India and Nepal. This occasion marks the sun's transition from the zodiac of Sagittarius to Capricorn. As this transition coincides with the sun's movement from south to north, the festival is dedicated to the solar deity, Surya, and is observed to mark a new beginning.

The members of RSR celebrated Makar Sankranti a little in advance on 7 January 2025 at Jeevan Bharti Rotary Hall. All the members present were seen dressed in denim and a white shirt/top and they accessorized themselves with hats, cool shades and wigs to give it a perfect kite-flying look. The hosts PP Rtn Rashika Bhardwaj and Ann Falguni Arora conducted fun-loving games that made the ambiance super cool and fun-filled.

The food counter served all the delicacies enjoyed during this festive time, from Undhiyu to Gujarati Dal to Kadhi to Gur Chikki and a few more.

A heartfelt gratitude to Rtn Dhvani Mehta and Rtn Manoj Gajiwala, Events Chairs, for arranging such delicious food. A big shout out to PP Rashika and Ann Falguni for engaging all the members in such amazing games and also presenting interesting gifts. Thank you to Rtn Nirupa Patel, Rtn Emily Jacob, Ann Vaishali Kariya, Annet Nitya Kariya, PP Sec. Ritu Talwar and Pres. Rinki Barman for lighting up the space with the beautiful decor. Thank you to PP Jugal Shinglot for proposing the vote of thanks. Sincerest gratitude to Rtn Tejashri and Rtn Jaina Gajiwala for working behind the screen as usual. President Rinki Barman and Rtn Pranab Barman sponsored this fellowship. PP Rtn Rashika Bhardwaj sponsored gifts presented for the various games conducted. Heartfelt gratitude to them!

## RSR Cricket for Cause: Lucky Draw

This year the RSR Cricket for Cause was scheduled on 23 February 2025 on the occasion of International Rotary Day. 5 teams were formed for the tournament and 9 generous RSRians chose to be the Team Owners – Team Rising Strikers owned by Rtn Tejashri Mehta and Rtn Alpa Shahh; Team Patiala Royals owned by Sec.

PP Ritu Talwar and Rtn Purna Grover; Team Krisp Banger owned by Ann Rincku Bhatia and PP Rajesh Mehta; Team Master Blasters owned by PP Bankim Vashi and PP Manoj Jain and Team Bobby Bindas by Rtn Bobby Patel.

The selection of players of the teams was done by following the lucky draw system, after groups based on capabilities were made in advance to have a fair distribution of players, on 5 February 2025 at Rtn Manoj Bhatia and Ann Rincku Bhatia's residence.

One player from each pre-designed groups were picked by the team owners and added to the respective teams. Each team got 7 players to fight the RSR Box Cricket Trophy on 23 February.

The whole process was carried with utmost precision under the able guidance of PP Raju Mehta, Rtn Kishan Desai and Rtn Tejashri Mehta in the presence of the team owners and the President and Hon. Secretary. Everybody enjoyed the master minded process of selection followed by a platter of varieties of snacks items and aromatic coffee and tea by the hosts, the Bhatias. # Club Assembly and AI for Everyone

The 3rd Club Assembly with the Assistant Governor was held on 18 February 2025 at Provyz Lifespaces Pvt. Ltd., Vesu. The President, Rtn Rinki Barman gave a presentation on the projects and events conducted from October'24 to January'25. AG Ankur Patel then gave his valuable feedback which came as a real booster to continue with renewed spirit. A big shout out to Rtn Amita Desai as her timely updates of our activities was highly appreciated. Moreover, the active posts and stories on social media were highly commended. All in all, it was a fruitful Club Assembly that we had.

The Club Assembly was followed by a Speaker Meet on the topic AI For Everyone, to help turn 10 hours of work into 10 minutes, presented by our youngest member on board Public Image Chair, Rtn Kishan Desai. He shared his expertise how to use AI powered tools to automate repetitive tasks, how to also save time and increase efficiency with AI and practical strategies to implement AI instantly. Though he gave us basic insights, it still opened a bigger and easier world to us. It gives us tremendous pleasure that we have such resources in our club. We can now confidently use basic AI to simplify our tasks.

Heartfelt gratitude to Rtn Kishan Desai for taking this session and also sincerest gratitude to all the members, who attended the two sessions, for sparing their valuable time.

# Narayani Ganesh's tips on Finding Joy in Little Things

You've made a list of all that you want — all of which you plan to experience and enjoy when you are finally done with your 9-5 job or your business; after your children have grown up and when you have a comfortable bank balance. Nothing wrong with that; it's just that there has to be another way —to get what you want, and also enjoy it before it's too late.

There's this story of a business magnate who strove all his life to make those millions. Finally, in his 70s, he lay on a beach at leisure, watching the sunset. He noticed a young man lazing nearby, a cap worn at a rakish angle.

“Young man,” the elder admonished him. “You should be working hard right now, like I did all those years so that you can enjoy the sunset at leisure, without worrying about affording to do so.”

The young man smiled and replied, “But I am doing that right now, Sir! I am enjoying the sunset just as much as you are, without first having to make a fortune!”

This simplistic story says it all —you don’t have to postpone joy to the very end, to be grasped after you’ve ticked off all the boxes. You can enjoy little things, as and when, without having to wait for that one big thing. With our sights set on bigger goals, we tend to overlook or ignore the small things that can give pockets of happiness. Often, small, joy-giving things cost little or nothing; hence, they are brushed aside as we labour toward bigger, shinier, expensive goals. Whereas short, happy bites go to make the whole far sweeter.
