# ROTARACT

After the success of Interact clubs for high school-age youth in the early 1960s, the RI board created Rotaract in 1968. The new organization was designed to promote responsible citizenship and leadership potential in clubs of young men and women, aged 18 to 30. The first Rotaract club was chartered by the Charlotte North Rotary Club in Charlotte, North Carolina. In 1994 there were more than 149,000 members in more than 6,500 Rotaract clubs in 107 countries.

Rotaract clubs emphasize the importance of individual responsibility as the basis of personal success and community involvement. Each club sponsors an annual project to promote high ethical standards in one's business and professional life. Rotaract also provides opportunities leading to greater international understanding and goodwill. Rotaractors enjoy many social activities as well as programs to improve their community. A Rotaract club can exist only when continuously sponsored, guided and counseled by a Rotary club. The programs of Rotaract are built around the motto "Fellowship Through Service."

# ICC 2025 SILLY MID-ON, PITCH PERFECT COMEDY & NON-STOP LAUGHS !

Cricket isn't just a sport—it's a **blockbuster spectacle**, a **high-stakes reality show**, and an **emotional rollercoaster all rolled into one**. From unexpected twists to moments that had the whole stadium in stitches, here's a look at **ICC 2025's most entertaining innings!**

**Rohit's Toss Tragedy** : 12 losses in a row! Even the coin had a personal vendetta. But hey, India still won the championship—maybe losing tosses is the real lucky charm!

**The Ball's Diary Entry**: "One moment, I'm chilling on the pitch. Next moment—BAM! Launched into orbit by Rohit. I orbited Earth twice. Elon Musk DMed me: 'Job offer?!'"

**Baby's First Words**: The proud parents waited eagerly to hear "Mama" or "Papa," but their little one, after watching the ICC, uttered: "WIDE BALL! WIDE BALL!"

**Jadeja's Hug of the Year**: Jadeja's defensive skills reached new heights—literally. Blocking a New Zealand player mid-run? Accidental genius! Now officially nominated for the "Hug of the Year" award.

**Host's Regret**: Host country players forgot one crucial thing—where there's a Prince, there's always a King. Never poke the King.

**Varun's Wicket Obsession**: Started as a bowler, ended as a crime suspect. Teammates hid their bats; he just kept whispering, "One more... just one more."

**DRS: The Real Umpire**: DRS is demanding a salary and a seat with the Third Umpire—since it's the only one getting decisions right!

**The Pitch's Midlife Crisis**: "One day, I'm a batting paradise, the next, a bowler's graveyard. Sometimes, I'm a slow turner; other days, a green monster. Honestly, I just need a vacation... maybe a nice beach pitch somewhere?"

**Losing Captain Interview Script**: Since cricket was invented: "We played well, but credit to the opposition. They played well. We'll learn from this and come back stronger."

**The Real Winner**: One team wins the trophy. The rest win heartbreak. The actual champion? The meme creators!

**Did we just hit a six with this? Or DRS-reviewed?**

## FOUR-WAY TEST
