## EMBRACING SUSTAINABILITY : A WATER-SAVING INITIATIVE BY PP NIMISH MEHTA

Following the successful event on water conservation hosted by the **Rotary Club of Surat** a few months ago, **Rtn. Meghal Baxi** spearheaded a remarkable initiative at his residence on **28<sup>th</sup> July** in association with the Indian Plumbing Association (IPA). This initiative focused on the installation of water-saving aerators, demonstrating a significant reduction in water usage from **11 litres** to just **3 litres** in **10 seconds**.

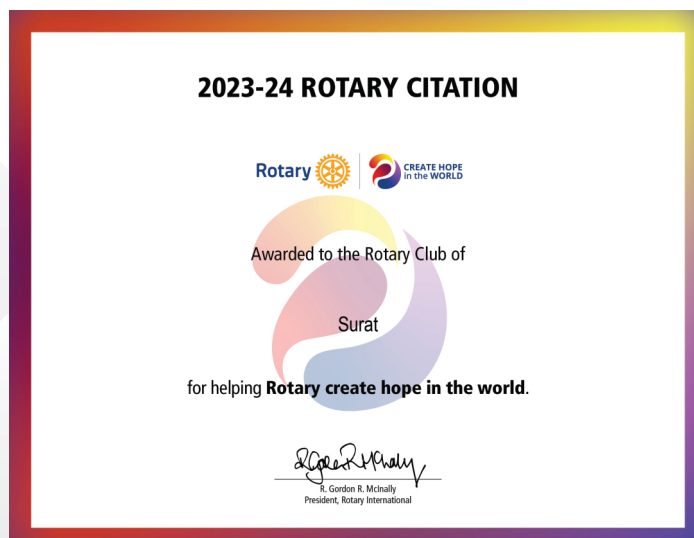

The initiative took place at **Rtn. Meghal Baxi** residence in the presence of **PP Nimish Mehta**, along with the **IPA president, secretary, and a skilled plumber**. Building **Secretary Ashok Patel**, **Joint Secretaries Chintah Shah and Ishita Shah** were also in attendance, showcasing their commitment to sustainability.

This initiative not only highlights the importance of water conservation but also sets a powerful example for the community to follow in the journey towards a sustainable future. Together, we are saving water and saving the environment, one drop at a time.
