

FROM THE DESK OF DG AMARDEEP SINGH BUNET

AMARDEEP SINGH BUNET
DG : 2025-26
RID 3060

Dear Friends,

Rotary District 3060 has always been a beacon of leadership, service, and innovation, and it is our proud legacy that continues to inspire us.

We stand tall today because of the vision and tireless efforts of our past leaders whose contributions have shaped the district and laid a strong foundation of service and fellowship.

As we look ahead, we must embrace the changing world with open arms and a renewed sense of responsibility. **Membership** being our one of the highest priority, with a focus on not just growing our numbers but nurturing meaningful, value-driven engagement across **Rotary**,

Rotaract and **Interact**. Each member is vital, and we must strive to make every Rotarian feel inspired, involved, and empowered.

Strengthening **The Rotary Foundation** remains key, as it enables us to multiply our impact through life-changing projects—from dialysis centers and cancer diagnostics to **clean water initiatives, educational support, and skill development**. I urge each of you to make giving to **The Rotary Foundation** as a part of your family celebrations, as your contributions can touch lives close to home and across the world.

In the coming year, we will advance powerful initiatives like the **3R Project, e-waste recycling, tree plantation, eye donation drives, medical camps, RYLA for youth leadership**, and continued **literacy efforts**, along with **scholarships** for underprivileged students. Through the **GKP Village Project**, we aim to reach the unreached and transform entire communities.

We will also strengthen fellowship through vibrant district events and the much-awaited **District Conference, Sang-e-Marmar at Agra**.

My dear Presidents, Secretaries, and fellow Rotarians—this is our time to rise, to lead with purpose, and to build a Rotary that is more impactful, inclusive, and far-reaching.

Let us move forward together to serve, to connect, and to write the next inspiring chapter of **Rotary District 3060**.

NEW LEADERSHIP, FRESH VISION AND RENEWED SERVICE

The start of a new Rotary year signifies a time of transition, reflection, and renewed inspiration. It is the moment when leadership responsibilities are formally handed over to newly elected Rotary club officers, district leaders, and international representatives. More than a ceremonial change, it is an opportunity to reaffirm Rotary's core commitment to **Service Above Self**.

At Rotary Club of Surat, the year **2025–26** begins under the leadership of **President Kundan Shah** and **Hon. Secretary Tejas Gandhi**, supported by a dynamic team of **Office Bearers, Board Members, Club Learning Facilitator** and **Committee Chairs**. This team brings with it a fresh vision and the enthusiasm to steer the club toward greater impact. Their leadership will be instrumental in driving innovation, strengthening partnerships, and empowering others within the Rotary community.

The beginning of the year is also a time to look back at past accomplishments and challenges and to set clear intentions for the journey ahead. It is a reminder for every member to consider:

- **How can the new leadership be supported effectively?**
- **What talents or ideas can be brought forward this year?**
- **In what ways can membership be strengthened and service impact expanded?**

Rotary is a collective effort. While titles may change, the spirit of leadership lives in every individual who contributes through action, mentorship, and initiative.

This period of renewed momentum invites all members to engage wholeheartedly—by attending meetings with energy, participating in committees, inviting guests to service projects, and embracing the transition as a chance to make a difference.

With shared purpose and visionary leadership, Rotary Club of Surat stands ready to create a lasting and meaningful impact—**locally and globally**!
